

SHARED GOVERNANCE REPORT  
ARMANDO MALDONADO  
Wednesday, April 22, 2009

The Antiapithy Awards Luncheon was a major success thanks to both Jamie and Student Senate's help. It took about 3 months to plan this event, from organizing a decent meal to making sure that the Use of Facilities was in place for the event. During Easter vacation, Jamie and I have been communicating via e-mail, which included the Campus Student Choice Award quotes and finalizing RSVPS for the luncheon. After returning from vacation, Jamie and I met on Friday, April 17<sup>th</sup> to make the seating chart. This morning, Jamie, Josh and I did a walk through on the stage, to make sure that tables were in place and we met up with food services, who took care of placing fancy tablecloths on the table. After this was done, a student worker from the Dean of Students Office placed flowers on the table and made the room look nice.

At noon, I started the Awards Ceremony by welcoming and thanking everyone for their attendance, including several board members. The following people were awarded during the event:

**Susan Ayers- Tehama Campus Secretary**

**Mary Bailey- Instructional Paraprofessional for DSPTS**

**Dr. Keith Brookshaw- Dean of Students**

**Ken Cooper- Instructional Paraprofessional for DSPTS**

**Dr. Divan Fard- Chemistry Instructor**

**Shandy Pendley- Sign Language Instructor**

**Pamela Spoto- English Instructor**

**Rhonda Nehr- Security Supervisor**

**John Livingston- Heavy Equipment Instructor.**

**It is also noted that John Livingston received the Campus Student Choice Award for his passion of teaching and helping students through hard times and giving them motivation.**

**The only thing left is to take the plaque to the awards shop to we can get the names engraved. I was suppose to do this last Friday, but the plaque is bolted to the wall and a work order needsd to be submitted to Physical Plant so that the plaque can be taken down. Once this has occurred, I am going to make an appointment with our advisor, Dr. Brookshaw to see if we can run into town to take the plaque. To get the names engraved. It was a joy to be the Shared Governance Officer and I hope to remain in this capacity for the following school year.**
