

REPORT

Sakib Shaikh: Events and Activities Officer

1. Proposal for organizing a “PROM NIGHT” at the College. Motivated by large number of International and High School students enrolled in the college this semester or DJ night or a Concert.
2. Inspired by the activity patterns of Indian Colleges, propose theme based days like Blue day, Green day, Red day, Twins day, Jeans/Denim day, Group day, Formal day, Flower day.....this doesn't require much effort except strong mouth to mouth marketing and good printed postings.
3. Proposal for organizing Inter Club Cook-offs, Sports challenge day....
4. Getting good cheap and durable Student senate merchandise and selling them at minor profitable rates, helps in publicity and can make a small fraction of profit. We can also sell these at the Football Games.
