

Jamie,

Here is the report I will be giving on 9-11-09. I spoke with Coach Hauser on 9-1-09.

1.) How can the Student Senate help the Athletic Department?

Get the message out about the Student I.D. cards. Support our efforts in offering a well rounded Physical Ed. Curriculum. To teach the value of regular exercise and it's effect on a "healthy" lifestyle. Ideas to get students to our athletic contest, promotion, incentives etc.

2.) What are some goals the department would like to achieve this fiscal year?

Maintain all 17 intercollegiate sport programs thru this budget crisis.

Continue to offer classes that meet the interest of our students-new ideas?

Have a successful fund-raiser this spring in our 17th Celebrity Dinner/Auction.

Introduce or broaden the awareness of our P.E. classes to reach more students.

Tip them to an AA/AS degree requirement.

Thank You
Scott Breton
