From: Administrative Services
Student Representatives
Raymond Hennings
Sub: Meeting with Mr. Wyse
Vice President of Shasta College
Administrative Services
Date: September 17, 2009

On September 14 at 3:00pm, Mr. Wyse, Vice President of Administrative Services, met with Administrative Services Representative Raymond Hennings. The meeting went very well and a wide range of topics were discussed.

All projects are pending due to the State of California being late and not forthcoming with reimbursements to Shasta College.

The new Learning and Recourse center will be open for the spring semester in January 2010.

A new patio was put in behind the dorms this summer. A project is underway in planning to improve the walkways around the dorms and should start soon.

A new air conditioner was installed this summer in the 1800 building dance room as there were problems holding class because of the heat.

The bleachers in the gym are going to be reconditioned and made more ADA compliant.

The boilers for the swimming pool will be replaced.

There is a plan to put in an air conditioning unit in the gym and hopefully it will be completed by the spring of 2010.
