Subject: Measure H Newsletter and Updated Web Pages
Date: Tuesday, April 23, 2019 11:14:40 AM

Good morning, everyone! The Spring 2019 Measure H newsletter providing updates on our latest projects can be viewed through the following link: [Spring 2019 Measure H Newsletter](#).

I've received many questions about current and future projects, and am happy to report that the bond web pages have been updated to provide this information. The main landing page can be viewed here: [Shasta College Bond Measures - General Information](#).

Several individual pages to note are:

Measure H Projects	Includes monthly project updates as presented to the Board of Trustees, and a link to each project with photos and other information
Measure H Financial Reports	Includes monthly financial reports to the Board of Trustees and our annual audits
Measure H Communications	Includes communications to the campus community, newsletters, and press releases
Measure H Presentations	Includes presentations given to the campus community as well as monthly presentations to the Board of Trustees

Please feel free to get in touch with me, or stop by my office (located in the Physical Plant Building), should you have any questions or want to find out more about our current and future bond projects.

I hope you are enjoying this beautiful weather, and that you have a great finish to the Spring term.

Best regards,

Theresa Markword
