

Comprehensive Instructional Program Review Self-Study Master Rubric

Thank you for participating in this valuable Program Review Process. Please use this rubric as a communication tool between the teams.

GOLD team members – Use this rubric as a guide to complete the Self-Study review, the goal of each section's items is to qualify for the "meets" or "exceeds." If an item does not meet or needs improvement, be forthright and explain why. If an item is not applicable to your program, please state that clearly for each item as Not Applicable (N/A).

Self-Study draft due to Silver Team Captain: 2nd week of November

SILVER AND GREEN TEAMS ONLY HOW DO I USE THE RUBRIC? Each row must have a rubric category box checked or completed box checked, whichever is applicable. Each section must have comments on all "exceeds" "doesn't meet/needs improvement" items that are checked. The rubrics sections/colors/items directly correspond with the Comprehensive Instructional Program Review Self-Study. The Self-Study also contains more detailed instructions to reference.

SILVER team members – The Silver Team Captain (most likely a member of PRC, SLOC, or Research) will be turning in ONE completed rubric to the GOLD Team Captain to represent the entire Silver Team's feedback. How to accomplish the work: 1) The Silver Team members may choose to collaborate and complete the rubric together. 2) Each Silver Team member can complete it individually, and then discuss and compare scores, collaborating on final scores. 3) The Silver Team could also divide the sections among their team members and allow the Silver Team Captain to collate and complete the final scores for final review, discussion, and recommendations.

Silver Team Captain – Completed Rubric due to Gold Team Captain: 2nd week of December

GREEN team members = The Green Team Captain will be working directly with the Program Review Committee (PRC) turning in ONE completed rubric with recommended status (without qualifications, with qualifications, or discontinuance) to the PRC co-chairs Crystal Hilton and Stacey Bartlett. How to accomplish the work: 1) The Green Team members may choose to collaborate and complete the rubric together. 2) Each Green Team member can complete it individually, and then discuss and compare scores, collaborating on final scores. 3) The Green Team could also divide the sections among their team members and allow the Green Team Captain to collate and complete the final scores for final review, discussion, recommendations, and program disposition.

Green Team Captain – Completed Rubric due to PRC: **Last week of March**
