- 6. Bylaws:** Feel free to go over the bylaws and make any suggestions if needed. Reviewed the bylaws at our last meeting in May.
- 7. CCN:** Rebeka can help implement changes before they come to her through CurricUNet. There are templates on the California Community College website for phase 1 and 2, 2b and 3. Phase 3 is still under the survey part of the implementation, but you can use the survey. All the things that can possibly change will be on survey and you can use that as a template. Phase 2B templates are ready, you can begin Fall 26 or Fall 27. If you want it for Fall 26 it needs to be submitted into CurricUNet by November 1st, 2025. If you want it for Fall 27, it needs to be submitted by April 1st, 2026. Rebeka recommends if you have a course in phase 2b you should submit it by the November 1st deadline. The sooner we can get the templates submitted and reviewed; we have time to revise and resubmit. There have been some issues with getting some courses articulated. Lenore asked what is missing from the templates that cause some issues? If it sits in CID for 45 days or more, it can be assumed that it is approved. Part 1 of the template is required. Rebeka reaches out to the faculty if they are missing items in Part 1 that way they can fix them in Part 2. There is a student facing webpage for Common Course Numbering on the Shasta College website. Timeline and Shasta College Rollout for the new and approved courses. There is a great FAQ.
- 8. Courses for review:**
 - a. JOUR 21- Intro to Mass Communications**
 - ii. Cal-GETC: 4-Social & Behavioral Sciences – it was previously approved CSU GE area 4 however it was not grandfathered into Cal GETC. Faculty revised the course of outline and it will be for Fall 2026. New info was added to meet the Social & Behavioral Sciences area. Lenore Watson motioned to approve JOUR 21 for Cal-GETC: 4 Social & Behavioral Sciences, Sonia Randhawa seconded. Motion passes unanimously.

 - ii. Cal-GETC: 3B-Humanities –currently is approved for Cal GETC for area 1B.
