

## PUBLIC SAFETY

Your Pathway

# FIRE TECHNOLOGY

Associate in Science Degree

This degree is designed to serve as an in-service program as well as a pre-employment two-year program for community college students aspiring to a career in firefighting. In this program, you will gain the knowledge, skills, and practical hands-on experience necessary for a successful career in the Fire Technology field. You may also be required to fulfill a tour of duty at a local fire station.
