

## PEOPLE, CULTURE & SOCIETY

## Your Pathway

# HUMAN DEVELOPMENT

Associate in Science Degree

This degree will allow you to explore the areas of early childhood education, teacher preparation, and family studies in order to develop foundational concepts and skills in working with people of all ages. You will recognize that each human life, characterized by multiple influences and interrelated domains, is worthy of study, both individually and within a variety of contexts. With this degree you will be able to pursue higher education and explore career paths in social work, counseling, therapy, and psychology.
