

2022-23 California Teacher Mentors

California Mentors work in a variety of settings and philosophies. Explore the world of full time versus part time education, from infants to six year olds in an infant/preschool setting. If you desire experience in a blended abilities classroom or exposure to integrating special needs, a California Mentor match is ideal.

Gerber State Preschool

Mentors strive to provide a rich and challenging experience for mentor students that will benefit the student well beyond academic assignments, by creating a foundation for positive and nurturing teaching practices that will be useful in the field of education. Certified mentors provide a unique experience, hands on teaching, attention to detail and fifteen minutes of connection time for their mentor students.

Services available:

1. **Practicum Placement** -On site internship
2. **Post Practicum Support** - Mentoring beyond internship to support the transition to teaching
3. **Individual Mentoring** - Coursework assistance (phone or in person)
4. **Virtual Mentoring** - Coursework assistance (internet, phone)
5. **Guest Lectures** - Presentations of ongoing work or philosophies
6. **DM Placement** - Our Director Mentors work with newly appointed Directors, Site Supervisors, Assistant Directors, or even experienced Directors who are facing new challenges at their facility.

Feel free to email mentors directly or for program information contact Jeanne Veich at jveich@shastacollege.edu or at 530.242.7616
