STUDENT CONFIDENTIALITY STATEMENT

The undersigned hereby recognizes that medical records, emergency department and ambulance records, base station reports, 5150 applications, child abuse reporting forms, elder abuse reporting forms, laboratory request and results, x-ray requests and results are typical of documents that are considered privileged and should not be discussed by the student with individuals not involved with the care of the patient.

Conversations between physicians, nurses, and other health care professionals in the setting of a patient receiving care, also are privileged communications and may not be discussed.

If it is determined that a breach of confidentiality has occurred as a result of a student's actions, the student can be liable for damages that result from such a breach. Action to decertify or seek disciplinary action with the licensing board may be taken by the hospital against the student. The hospital may terminate the contract for observation with the educational institution based on a single breach of confidentiality by a student.

The undersigned understands that pursuant to Section 6152(a) of the California Business and Professions Code:

1. Any person in his individual capacity as a public or private employee, or for any firm, corporation, partnership or association to act as a runner or capper for any such attorneys, in and about the state prisons, county jails, city jails, city prisons, or other places of detention of persons, city receiving hospitals, city and county receiving hospitals, county hospitals, justice courts, municipal courts, superior courts, or in any public institution or in any public place or upon any public street or highway or in and about private hospitals, sanitariums or in and about any private institution or upon private property of any character whatsoever.
2. Any person to solicit another person to commit or join in the commission of a violation of subdivision (a).

The undersigned agrees to protect the confidentiality of patient records and patient staff interactions as required by law, at all times, both during and following student status at clinical location.
