*Shasta College is an Equal Opportunity/Affirmative Action Employer*

For any questions, involving discrimination on the basis of race, sex, color, religion, age, physical or mental disability, ancestry, marital status, or national origin, contact the Personnel Office/Affirmative Action Coordinator, Room 121, or phone, 530-242-7640.

Some of the job requirements are as follows: Lifting 70 pounds, working with irrigation equipment, livestock, and electric fence. Using hand tools and gardening tools, weed eaters, and lawn mowers. Repairing and maintenance of fencing and other equipment used on the Farm.

The Farm Dorm Program is designed for students who want to learn, are responsible, self-motivated, take pride in their work, and can get along well with others.

A two-hundred dollar (\$200.00) deposit will be paid to the Business Office (Room 105) prior to moving into the Farm Dorm residence. The \$200.00 deposit will be refunded to the originator if there are no outstanding fees or debts when the resident vacates the Farm Dorm house, and there is no damage to the residence.

At the beginning of every month, \$125.00 will be collected from each dorm student for groceries. (This does not apply for the summer Farm Dorm students.)

Farm weekend duty will be assigned the beginning of each semester. Each semester students will be assigned to work with another Farm Dorm student and be responsible for their assigned duties such as, feeding, irrigation, maintenance of facilities, etc. They must work with their assigned partner and do chores together in a timely manner. Farm Dorm students will also be responsible for providing assistance during school holidays and vacations. These will be assigned to students on a rotational basis.

A valid California driver's license is ***required***. A print out of your DMV driving record must be received before moving into the Farm Dorm house.

Dorm students will work at least 14 hours per week, maintain a 2.5 GPA, **register for 12 academic units**, and be responsible for their monthly duties. Students will gain valuable work experience from hands-on activities, while receiving up to four units of Worksite Learning credit. The maximum duration of residency at the Farm Dorm house is four semesters. You must resubmit an application for each new year.

**Dorm students will be asked to sign a Farm Dorm Residence Agreement, containing terms and disciplinary actions related to residency expectations.**

This program not only exposes students to the day-to-day operations and up-keep of an agricultural facility, but also focuses heavily on the development of strong interpersonal skills and positive conflict resolution through communication.

**Please attach resume, 2 letters of recommendation, and unofficial High School Transcripts. Deadline for applications is April 17, 2020. Late applications will not be accepted. If you are chosen for an interview, they will be held at Shasta College the week of April 24-May 5 2020.**
