Training: General Education area requirements

New Courses:

ETHS 7-Introduction to Chicana/o/x Studies

To expand course offerings for students in Ethnic Studies per General Education requirements. This build-up of diverse courses will expand into a future Ethnic Studies program at Shasta College. The Chicana population is prominent and continuously growing within our country and specifically within our tri-county community. Teaching our students about this diverse ethnic group will help them broaden their understanding, cultural awareness, and even self-discovery.

- Cal-GETC AREA 4 & 6

Strategic Educational Master Plan Draft

- The "North Star": The plan sets a bold goal of a 70% 3-year completion rate by 2032. Thoughts about how we can achieve this aspirational goal are especially appreciated.
