Per Title 5, section 58621, a student who is otherwise eligible for the California College Promise Grant (CCPG) [Formerly known as the Board of Governors (BOG) Fee Waiver] shall become ineligible if the student is placed on academic or progress probation, as defined in section 55031(a) or (b), or any combination thereof for two consecutive primary terms. Loss of eligibility shall become effective at the first registration opportunity after such determination is made. (2) Foster Youth, as defined in Education Code 66025.9(b), shall not be subject to loss of CCPG under this section. Please be aware that a student who continues on a second consecutive term (fall/spring semester) on academic or progress probation will result in the loss of the CCPG. If you are Foster Youth you are exempted from this process. Primary terms are fall and spring semesters for colleges on a semester system. Terms shall be considered consecutive on the basis of the student’s enrollment so long as the break in the student’s enrollment does not exceed one primary term. A student who successfully appeals the loss of enrollment priority shall also have CCPG eligibility restored.
