JOB TITLE: Maintenance Painter

DESCRIPTION OF BASIC FUNCTIONS AND RESPONSIBILITIES:

To perform journey level skilled tasks involved in the painting of campus buildings, equipment, and facilities. Employees in this classification receive general supervision and may oversee and direct the work of others in the accomplishment of specific projects as assigned. This job class requires technical knowledge and skill related to the methods, procedures, materials, and equipment used in skilled painting work and semi-skilled painting work, as well as the ability to perform semi-skilled general maintenance.

SUPERVISOR: Director of Physical Plant

TYPICAL DUTIES:

- Performs general skilled painting work to maintain the proper appearance of campus buildings, equipment, and facilities and to protect them from rust and decay.
- Cleans and prepares interior and exterior surfaces for painting.
- Lacquers, varnishes, stains, or otherwise finishes desks, doors, cabinets, molding, floors, and furniture.
- Mixes colors, oils, and other paint ingredients to match, blend, harmonize, and contrast in specified colors and consistencies.
- Installs sheet rock; tapes and textures same.
- Uses brushes, rollers and spray guns to apply paint and other decorative materials to wood, metal, glass, stucco, and other surfaces.
- Prepares area to be painted by moving furniture, removing hardware, masking with paper and tape, using drop cloths, closing off areas to the public, etc.
- Erects, rigs, and/or moves scaffolding and platforms.

Typical Duties (continued):

- Cleans equipment such as brushes, rollers, air and airless spray guns, and compressors.
- Plans and lays out painting work; estimates cost and materials needed for painting jobs.
- Performs a variety of general semi-skilled maintenance, repair, and special project work and assistance as assigned.
- Oversees and directs the work of others in a lead capacity as assigned.
- Performs painting work in conformance with building, health, and safety standards.
- Performs other related duties similar to the above in scope and function as required.

EMPLOYMENT STANDARDS:

Possession Of:

- A valid and appropriate California Driver's License.

Knowledge Of:

- The methods, procedures, materials, equipment, and tools used in skilled painting work.
- The safety rules, codes, and regulations applied to skilled painting work.

Ability To:

- Perform painting tasks at a journey skill level.
- Perform semi-skilled maintenance work in several areas of the building trades.
- Paint a 24 x 40 standard classroom within one 8-hour shift.
- Timely services are required.
- Understand and carry out a variety of complex instructions.

Employment Standards (continued):

- Safely use and operate a variety of hand tools, power tools, and other equipment used in painting work.
- Quickly and effectively diagnose painting needs and take appropriate action to meet same.
- Effectively communicate in both oral and written forms.
- Perform mathematical calculations using addition, subtraction, multiplication, and division.
- Safely and effectively work on ladders, scaffolding, rigging, and roofs of varying heights.
- Meet the physical requirements necessary to safely and effectively perform the required duties.
- Establish and maintain effective work relationships with those contacted in the performance of required duties.

EDUCATION/EXPERIENCE:

- Three years of journeyman painting experience including cost estimation.
- High school graduate or equivalent
