

Math Department Placement Guidelines
Statistics/Liberal Arts Pathway
(Multiple Measure Assessment Project)
For students who have graduated from
high school within the last ten years.

Students with a high school GPA ≥ 3.0 are eligible for transfer-level Statistics/Liberal Arts mathematics. No additional academic or concurrent support is required.

Students with a high school GPA of 2.3 – 2.9 are eligible for transfer-level Statistics/Liberal Arts mathematics. Additional academic and concurrent support is recommended.

Students with a high school GPA below 2.3 are eligible for transfer-level Statistics/Liberal Arts Mathematics. Additional academic and concurrent support is strongly recommended.

Math Department Placement Guidelines
BSTEM (Business, Science, Technology,
Engineering, Math) Pathway
(Multiple Measure Assessment Project)
For students who have graduated from high
school within the last ten years.

Students with a high school GPA ≥ 3.4 OR students with a high school GPA ≥ 2.6 AND enrolled in a high school Calculus course are eligible for transfer-level BSTEM mathematics. No additional academic or concurrent support is required.

Students with a high school GPA ≥ 2.6 OR enrolled in high school Precalculus are eligible for transfer-level BSTEM mathematics. Additional academic and concurrent support is recommended.

Students with a high school GPA ≤ 2.6 and no Precalculus are eligible for transfer-level BSTEM mathematics. Additional academic and concurrent support is strongly recommended.
