Your Pathway

EMERGENCY MEDICAL SERVICES SPECIALIZATION

Noncredit Certificate

This certificate is required to be able to work for an ambulance service or in an emergency department. It may also be required for lifeguards, ski patrol, and firefighters. You will be able to provide the care necessary to preserve life and to prevent disability among the seriously injured, and be able to communicate with other healthcare providers with a higher scope of practice. Upon completion, you will be able to take the National Registry for Emergency Medical Technicians' exam and obtain EMS certification.
