Mission Statement: Shasta College provides a diverse student population open access to undergraduate educational programs and learning opportunities, thereby contributing to the social, cultural, intellectual, and economic development of our communities. The District offers general education, transfer and career-technical programs, and basic skills education. Shasta College provides opportunities for students to develop critical thinking, effective communication, quantitative reasoning, information competency, community and global awareness, self-efficacy, and workplace skills. Comprehensive student services programs support student learning and personal growth.

Institutional Student Learning Outcomes: To support student success, Shasta College has identified the following Institutional Student Learning Outcomes (ISLOs).

- 1. Critical Thinking:** Critical thinking is the ability to comprehend, communicate, or engage in problem-solving or strategy-building techniques.
- 2. Information Competency:** Information competency is the ability to find, evaluate, use and communicate information in all its various formats.
- 3. Effective Communication:** Effective communication is the ability to effectively use written, oral and nonverbal communication.
- 4. Quantitative Reasoning:** Quantitative reasoning is the ability to use appropriate mathematical methods.
- 5. Self-Efficacy:** Self-efficacy is the confidence and ability to perform the courses of action required to effectively meet personal, social, academic and professional goals.
- 6. Workplace Skills:** Workplace skills provide the ability to perform effectively at work.
- 7. Community and Global Awareness:** Community and global awareness includes an understanding of community and global issues and cross-cultural awareness.

Board Approved 6/08/11

Accuracy Statement: The Shasta-Tehama-Trinity Joint Community College District has made every reasonable effort to ensure that information in this schedule is accurate. REGISTRATION INFORMATION

ONLY OFFICIALLY REGISTERED STUDENTS MAY ATTEND CLASSES. STUDENTS WHOSE NAMES DO NOT APPEAR ON THE INSTRUCTOR'S CLASS LIST ARE NOT OFFICIALLY REGISTERED AND WILL NOT RECEIVE CREDIT OR GRADES.

APPLICATION TO SHASTA COLLEGE IS ONLINE AT WWW.CCCAPPLY.ORG AND IS A TWO-STEP PROCESS:

1. Create a CCCApply Account
2. Submit the CCCApply application to Shasta College

If you cannot apply online, please reach out to the Shasta College Admissions and Records Office for assistance at 530-242-7650 or admissions@shastacollege.edu

CONTINUING STUDENTS: (Students currently enrolled at Shasta College): Please check your registration date that will be sent to your email address on file or you may find your registration date and time on your *MyShasta* account.

RETURNING STUDENTS: (Students who attended Shasta College in previous semesters but are not currently enrolled): Please contact the Admissions and Records Office for a registration date. If you have not attended Shasta College for more than two terms (fall/spring or spring/fall), please submit a new CCCApply application online (see above).

TRANSFER STUDENTS: (Students who have completed courses at other colleges or universities, but not Shasta College): Please contact the Admissions and Records Office for a registration date.

FIRST-TIME NEW STUDENTS: You are a first-time new student if this is the first time attending college. You are required to participate in matriculation services. "Matriculating" students receive a priority registration date after completing the following steps:

1. Apply for admission to the college.
2. Complete an online orientation
3. Develop an Education Plan and determine English and math placement options.
4. Send official transcripts from high school and previous college work to the Admissions and Records Office.

Shasta College Admissions and Records
PO Box 496006
Redding, CA 96049-6006

New students will receive priority registration based on the completion of matriculation. Registration priority shall be lost at the first registration opportunity after a student: 1) Is placed on academic or progress probation or any combination thereof for two consecutive terms; or 2) has earned one hundred (100) or more degree-applicable units at Shasta College except in designated high unit majors. Nonexempt students who have completed core matriculation services identified above are also required to complete a comprehensive education plan after completing 15 semester units of degree applicable credit course work or prior to the end of the 3rd semester of enrollment.

ADDING A CLASS: Students may be added into an open class through the 10% completion point of the class.

Students can add a class by using MyShasta up to the first day of class; after the first day of class, they will need to receive authorization from the instructor. Students can also add themselves to a class using a Registration Form and submitting it to the Admission and Records Office; the Registration Form is available on the “Forms for Students” page of the Admissions website:

www.shastacollege.edu/admissions

ATTENDANCE: Students are expected to attend all classes. A student who fails to attend the first class meeting of a course without notifying the instructor may be dropped from the class. In addition, an instructor may drop a student during the first 75% of the class for non-attendance. Nevertheless, **IT IS ALWAYS THE STUDENT'S RESPONSIBILITY TO OFFICIALLY DROP OR WITHDRAW** from the class. Students who fail to file the necessary forms, even though they stop attending class, will be assigned a course grade.

CLOSED CLASSES: A closed class is one which has reached its maximum enrollment. A student is allowed into a closed class if

- The student has their name added to the class waitlist so, as enrolled students withdraw, the wait-listed student may be added to the enrollment list in the order of waitlist priority. An e-mail to the student is automatically generated, and the student has until midnight of the date the e-mail was sent to pay the appropriate fees and achieve official enrollment status;
OR
- The student must obtain the instructor's permission. The instructor verifies permission by electronically authorizing the student so they may add themselves in MyShasta or by signing a student add/drop form and including the date of first attendance.

In either event, the student must attend the first class meeting. (Please see the “waitlist” section below for additional information.)

CONFLICTING CLASSES: The State of California generally will not allow students to enroll in classes that are held at the same time or that have overlapping times. A Petition to Enroll in Overlapping Course form can be obtained from the Admissions & Records office by emailing admissions@shastacollege.edu

DROPPING A CLASS: **IT IS THE STUDENT'S RESPONSIBILITY TO DROP A CLASS.** The Enrollment Fee and/or material fees are refundable if a class is dropped during the first 10% point of the length of the course.* Students may drop a class and have no notation appear on their transcripts through the census date of each class. Students are able to drop classes on-line through MyShasta.

**Refund deadlines and procedures may vary. <https://www.shastacollege.edu/cost-financial-aid/cost-of-attendance/refund-policy/>*

WITHDRAWING FROM A CLASS: The student may withdraw from a class from the census date up to 75% of the length of the course. The notation “W” will appear on the student's transcript and will not be used in the calculation of the grade point average. Excessive “W”s will be used as factors in progress probation and dismissal procedures. Forms are available from the Admissions and Records website (“Forms for Students” at www.shastacollege.edu/admissions: Registration Form) Office, Extended Education campuses, or by mail. Students may not drop classes over the phone. Students who have not dropped or withdrawn before 75% of the length of the course will be assigned a course grade. Students unable to process transactions in person or via MyShasta may designate another person to process transactions on their behalf by proxy. A proxy form is available on the “Forms for Students” page of the Admissions website: www.shastacollege.edu/admissions. The form must be signed and submitted to the college Admissions and Records Office prior to the transaction.

OPEN ACCESS POLICY: The policy of this district is that all courses, course sections, and classes of the District shall be open for enrollment to any person who has been admitted to the college. Enrollment may be subject to any priority system that has been established. Enrollment may also be limited to students meeting properly validated prerequisites and corequisites or due to other practical considerations such as exceptions set out in statute or regulation.

PREREQUISITES, COREQUISITES, ADVISORIES, and LIMITATIONS ON ENROLLMENT AND CERTAIN NOTES are indicated as such in this schedule. For a description of these items as they pertain to a particular course, please access one of the following resources:

- Course information available online at <https://mysc.shastacollege.edu/Student/Courses>.
- Shasta College Course Catalog which can be viewed online at <https://www.shastacollege.edu/academics/course-catalogs-and-class-schedules/>.

REPEATING CLASSES: You will not be able to register for a course you have already attempted three times. Each time you receive a grade for a class, including “W”, it counts as an attempt. Students may appeal a fourth enrollment due to a significant lapse of time or due to extenuating circumstances relating to verified cases of accidents, illness, or other circumstance beyond the student’s control. There are some courses within certain “course families” that may be attempted four times. Please meet with your counselor by calling 242-7724 or contact your Extended Education Campus for additional information.

SPECIAL ADMIT FOR CONCURRENT ENROLLMENT: High school students wishing to enroll in Shasta College classes must have permission from their high school principal and follow instructions detailed on the concurrent enrollment form. Concurrent Enrollment forms are available at local high schools and online at shastacollege.edu/highschoolandbelow. Advance approval of students in 12th grade or lower by the Admissions and Records Office is required before registration. All special admit students should review prerequisites and obtain course clearances prior to registration. Course content is intended for adults and is not altered for concurrent students. Shasta College accepts no responsibility for the supervision of concurrently enrolled students, and is released from responsibility for the student’s class selection.

WAITLIST: Each course offered by Shasta College will have a waitlist assigned to it. Waitlists allow students to be considered for access to a closed course. Students are advised to monitor their waitlist status carefully by accessing *MyShasta*.

For online courses, “first class meeting” refers to the first day that the course is available, normally the first day of the term unless otherwise noted in the schedule.

1. Waitlist Registration

- If a course in which you are attempting to enroll is full, you have the option of adding yourself to the waitlist. The waitlist is a mechanism whereby a student may be given the opportunity to become registered in a course should a vacancy occur.
- The waitlist may also be used to create an additional section(s) of the same course should enough students demonstrate the need for the course by adding their names to the list. The creation of an additional section will be at the discretion of the appropriate Dean.

2. What happens after a student adds themselves to the waitlist?

- Before the class starts – if an open spot becomes available, the first student on the waitlist will be auto-enrolled into the class. The student will receive an email notification if this occurs.
- After the class has started – the auto-enrollment into open seats does not occur during this time period. An Add Authorization is required from the Instructor to register for the class
- Add Authorizations can be requested in-person by attending the first class meeting, or by emailing the instructor and requesting one after the course begins and during the Add Period for the specific course (the Instructor’s email can be found in the course section details in *MyShasta*)
 - Be sure to include your full name, your Shasta College ID, and the course number and section (e.g., ENGL 1A-U1234)
- Once the instructor has granted the authorization, a blue banner will appear on the section on the student’s registration page. The student can complete registration using *MyShasta*.

3. Payment is due four weeks before the semester starts. If a student registers for courses after the due date, payment is due by midnight of the day of registration.

4. An “ineligible” student is one who will not migrate from the waitlist into actual course enrollment for any one of the following reasons:

- The student has not completed the course prerequisite or is not currently registered in the course corequisite.
- The student has a debt owed to the college incurred during a previous term.
- The student has been placed on a waitlist for one course that conflicts with a course in which he/she is already registered. Any conflict must be remedied prior to migration.
- The student has already reached the maximum allowable units prior to the migration without filing a petition for overload.
- The student does not pass the eligibility rules set up for the registration to occur.
- The student has already reached the maximum allowable opportunities to repeat the course.
- The student is attempting to ‘repeat’ the course and fails to meet the allowed grade requirement.

5. Additional information:

- It is the student's responsibility to monitor his/her status on any waitlist, and accept responsibility for any conditions which may prevent migration from the waitlist to registered status.
- If a student is deemed ineligible to migrate from the waitlist to registered status, the student will not receive official notification.
- Students who have not met prerequisite requirements or who have exceeded 'repeat' limits will not be allowed to place themselves on a waitlist for the respective course.
- Students who have an outstanding unpaid balance to the college for fees incurred from a previous semester will not be allowed to place themselves on a waitlist.
- Students will not be able to register for one section of a course and get on the waitlist for another section of the same course.
- Students can choose to be on no more than one waitlist for different sections of the same course.
- Students are able to remove themselves from the waitlist at any time.
- Should an additional section(s) be created from the Waitlist and made available at the same time/day as the original section (as described above), students from the waitlist will be 'migrated' to the new section and informed of the new section's location by the respective division.
- Students choosing to be added to the waitlist will not be charged the associated enrollment fees until they have actually become registered in the course.
- Students who have opted to be placed on the waitlist must attend the first class meeting (in-person class) or notify the instructor (online course)
- Students who have been placed on the waitlist that do not attend the first class meeting (or, in the case of an online course, fail to submit an email to the instructor on the first day of the course) may forfeit eligibility to register from the waitlist roster or may be deleted from the waitlist roster by the instructor.
- The waitlist is available up to midnight 5 business days prior to the first class meeting. At that point, students will no longer be able to add themselves to the waitlist. Students' failure to attend the first class meeting or email internet instructors on the first day of the term will jeopardize their status as "waitlist" candidates.

AUDITING A COURSE

Purpose:

1. Auditing is to allow students to participate in class activities beyond the course repetition limit; and
2. Auditing is to allow students to repeat a course with the intent of upgrading needed skills or reviewing course content.

Eligibility:

1. Students must be eligible for admission to the college as regularly enrolled students.
2. Students may audit classes only when they have exhausted repetition opportunities for the course.
3. Students must meet course prerequisites; and
4. Priority in class enrollment shall be given to students desiring to take the course for credit towards a degree or certificate.

(Education Code Section 76370(d))

Fees:

1. The fee for auditing a class is \$15.00 per unit, per semester (Education Code Section 76270(a)). The audit fee is non-refundable.
2. Material fees, if applicable, are payable with audit fees upon submitting the approved application.
3. Students enrolled in classes to receive credit for ten or more semester credit units shall not be charged a fee to audit three or fewer units per semester.

Procedures:

1. Request Application for Audit Class form from Admissions and Records / Financial Aid "One Stop" Office (admissions@shastacollege.edu)
2. The form will require the Instructor's Signature and the appropriate Divisional Dean's signature.
3. Once the form is turned in, student will be charged the \$15/unit audit fee and placed in the class

RESIDENCY

"In order to establish residence, it is necessary that there be a union of act and intent. To establish residence, a person capable of establishing residence in California must couple his/her physical presence in California with objective evidence that physical presence (minimum one year and one day before the first day of the semester) is with the intent to make California their home for other than temporary purposes." (Title 5, Section 54020) Students who have questions about their residency should contact the Admissions and Records office and speak to the Residency Specialist before registration. All out-of-state registration fees must be paid at registration or a payment plan will need to be in place.

California Nonresident Tuition Exemption Request AB 540 Affidavit

Any student, other than one with United States Citizenship and Immigration Services (USCIS) **nonimmigrant** visa status (see exception below for students who have been granted T or U visa status), who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).

- A student is exempt from paying nonresident tuition if the student meets *all* of the following four requirements:
 1. Attendance in a California school
 - Attended a combination of California high school, adult school, and/or California Community College for the equivalent of three years or more,
or
 - Have 3 or more years of California High School coursework AND attended a combination of California elementary, secondary and/or high school of 3 year or more.

2. Successful completion of a California School
 - Have graduated or will graduate with a California High School Diploma or the equivalent (California issued GED, CHSPE etc.)
 - Have completed or will complete an associate's degree from a California Community College
 - Have completed or will complete the minimum requirements at a California Community College for transfer to the California State University or the University of California.
 3. The student must register as an entering student at, or current enrollment at, an accredited institution of higher education in California, and
 4. The student must file an affidavit with the college or university stating that if the student is a non-citizen without current or valid immigration status, the student has filed an application to legalize immigration status, or will file an application as soon as the student is eligible to do so
- Students who are nonimmigrants who are victims of trafficking, domestic violence, and other serious crimes who have been granted T or U visa status, under Title 8 of the United States Code, sections 1101(a)(15)(T) or (U) are eligible for this exemption.
 - Students who are nonimmigrants, other than those with T or U visa status as noted above, [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.
 - **More details and the California AB 540 Affidavit are online on the Residency Information website at:**

ENROLLMENT SERVICES

Matriculation

Matriculation is defined by the Seymour-Campbell Student Success Act of 2012 as “a process that brings a college and a student into an agreement for the purpose of achieving the student’s educational goals and completing the student’s course of study.” The agreement involves the responsibilities of both the college and student. The Student Success and Support Program (see AP 5050) includes services to optimize student opportunities to achieve academic success.

The College agrees to:

- Provide an admissions application process.
- Provide an orientation to the College’s programs and services.
- Provide Counseling and advisement to develop an educational plan.
- Follow-up evaluation of each student’s progress in achieving an educational goal.
- Inform students about their rights to access transfer-level coursework in English, mathematics (or quantitative reasoning), credit English as a Second Language and of the multiple measures placement policies or other college placement processes including the availability of challenge processes;
- Include information about the student’s course placement options in the college catalog, in orientation and advisement materials, on the college’s website, and in any written communication by counseling services;
- Provide annual reports to the California Community Colleges Chancellor’s Office in a manner and form described by the California Community Colleges Chancellor’s Office; and
- Publicly post the college’s placement results, including the number of students assessed and the number of students placed into transfer-level coursework, transfer-level coursework with concurrent support, or transfer-level or credit English as a Second Language coursework, disaggregated by race and ethnicity.

The student agrees to:

- Identify an education and career goal;
- Identify a course of study;
- Be assessed to determine appropriate course placement;
- Complete an orientation activity provided by the college;
- Participate in the development of the student educational plan;

- Complete a comprehensive student educational plan no later than the term after which the student completes 15 semester units of degree applicable credit coursework;
- Diligently engage in course activities and complete assigned coursework;
- Complete courses and maintain progress toward an educational goal and completing a course of study.

Community college districts are required to notify students of matriculation requirements and the loss of registration priority if a student fails to fulfill their responsibilities. Information related to this college's matriculation policies are accessible and available to all students during or prior to enrollment (e.g., during orientation) and are included in class schedules and catalogs. Contact the Enrollment Services Office should you have questions regarding student rights and responsibilities.

PETITION APPEAL PROCESS

Students may appeal the loss of priority enrollment status due to extenuating circumstances or if they have a disability and applied for, but did not receive a reasonable accommodation in a timely manner. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student. Verification must be submitted with the appeal. Shasta College may exempt from the 100 unit limit category those students enrolled in high unit majors or programs.

Shasta College may also allow students who have demonstrated significant academic improvement to appeal the loss of priority enrollment status. Significant academic improvement is defined as achieving a minimum grade point average of 2.0 and completing more than 50% of units attempted in the student's most recently completed semester.

The student must file the written petition of appeal before the end of thirty (30) days after a loss of enrollment priority. All appeals shall be submitted to the Admissions and Records Department and will be forwarded to the Priority Registration Appeals Committee. If the student fails to file a written petition within the thirty day time limit, the student waives all future rights to appeal an adverse action for that semester. It is the student's responsibility to indicate on the petition a clear statement of the grounds on which the retention of enrollment priority should be granted and to provide evidence supporting the reasons. The student will be continued on sanction until the Priority Registration Appeals Committee renders a decision. When a challenge contains an allegation that the district has violated the provisions of section 55522(c), the district shall, upon completion of the challenge procedure established pursuant to this section, advise the student that he or she may file a formal complaint of unlawful discrimination pursuant to subchapter 5 (commencing with section 59300) of chapter 10. Completion of the challenge procedure shall be deemed to be an effort at informal resolution of the complaint.

The Priority Registration Appeals Committee will notify the student of its decision in writing within thirty days of receipt of the student's appeal. The student may appeal this decision in writing to the Superintendent/President or designee within ten (10) working days of the date of notification. The decision of the Superintendent/President or designee is final.

If the loss of enrollment priority appeal is granted, enrollment priority will be reinstated at the next available registration. Prior to the subsequent enrollment period, the student's academic record will again be evaluated to determine enrollment priority status. Priority enrollment will be re-evaluated each term.

Students may be exempt from core matriculation services (orientation, assessment, counseling, or student education plan development) if the student:

1. has received a full array of matriculation services at another California Community College;
2. plans to enroll only in courses having no English and/or Math skill requirements/prerequisites;
3. plans to enroll in fewer than 6 units and who have 'personal interest,' advancement in their current jobs, or maintenance of a certificate or license as their goal;
4. has completed an Associate or higher degree and is not pursuing a program or degree objective; or
5. is concurrently enrolled at a four-year college or university and is not pursuing a program or degree objective at Shasta College.
6. has completed 30 or more semester units at another college or university and is not pursuing a program or degree objective at Shasta College.
7. is enrolled at the college as a special admit student pursuant to Education Code section 76001.

Any student exempt from core matriculation services may be given the opportunity to participate in those services. Forms are available for this purpose from the Enrollment Services Office. Students who are exempted from matriculation services will lose priority registration. Students have the right to refuse matriculation services.

FREQUENTLY ASKED QUESTIONS ABOUT ADVISORIES AND LIMITATIONS ON ENROLLMENT

(Including Prerequisites and Corequisites)

What is an “advisory on recommended preparation”?

Advisories are intended to identify skills which will broaden or deepen a student’s learning experience, but without which the student can still succeed in the course. The college does not block enrollment in a course for lack of advisory skills.

Where can I find advisories for each course?

If a class has an advisory, it will be stated as part of the course description in the Catalog, and will be listed with the course in the *MyShasta* online course listings.

What is a “limitation on enrollment”?

All courses are open to enrollment to any student who has been admitted to the college, with the following exceptions. Title 5 Section 58106 allows the college to limit enrollment in specific courses or programs by using: 1) prerequisites and corequisites; 2) health and safety considerations; 3) practical considerations such as facilities limitations, faculty availability and funding limitations; 4) registration systems such as a first-come-first-served, or priority system; 5) statutory, regulatory, or contractual requirements; 6) auditions and tryouts for intercollegiate competition, honors, or public performances courses; 7) or blocks of courses for cohorts of students.

How do I know which classes have limitations on enrollment?

If a class has a limitation on enrollment, it will be specifically stated as part of the course description in the Catalog, and will be listed with the course in the *MyShasta* online course listings.

What is a “prerequisite” or “corequisite”?

“**Prerequisite**” means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. (Title 5, Section 55003) Such a condition of enrollment can be a course or other preparation a student must have before being permitted to enroll in a target course. Prerequisites provide the student with knowledge and/or a set of skills that substantially increase a student’s success. For example: Introduction to Managerial Accounting (ACCT 4) has a prerequisite of Introduction to Financial Accounting (ACCT 2) with a grade of “C” or higher.

There are two types of corequisites: two-way corequisites and one-way corequisites. A “**two-way**” **corequisite** is when two (or more) courses are interconnected and successful completion requires enrollment in both courses during the same term. A “**one-way**” **corequisite** is when one of the courses depends on the content of the other course, but not vice-versa. Here, only one course would list the other as a corequisite. Often, with one-way corequisites, if you have previously completed the corequisite course, you may be qualified to enroll in the target course.

Why does Shasta College enforce prerequisites and corequisites?

We are legally required to enforce prerequisites. The Shasta College faculty have carefully selected prerequisites by evaluating the skills and concepts needed for success in a target course. They are intended to ensure that a student has a reasonable chance for success. For these reasons, enforcement of prerequisites is in the best interest of all students.

How can I satisfy a prerequisite?

There are three ways you can satisfy a prerequisite at Shasta College:

1. You received a grade of C or higher in the prerequisite course at Shasta College:
 - a) If you completed the prerequisite course with a grade of C or higher, you will be allowed to enroll in the target course (as long as space is available.)
 - b) If you are currently enrolled in the prerequisite course at the time of registration, you will be allowed to conditionally enroll in the target course (as long as space is available). However, when grades are submitted at the end of the semester, if you did not receive a grade of C or higher in the prerequisite course, you will be dropped from the target course.
2. You satisfied the prerequisite through Course Equivalency. There are three ways to satisfy a prerequisite through Course Equivalency:
 - a) You received a grade of C or higher in an equivalent course at another college.
 - b) You have a qualifying score on the AP Exam.
 - c) You received CLEP credit for the prerequisite course.

For further information about AP Exam scores and CLEP credit, see a counselor, or refer to the Catalog.

If you believe you have satisfied the prerequisite through Course Equivalency, before registration, you should contact Admissions and Records/ Financial Aid “One Stop” staff who will direct you through the Course Equivalency Procedure. It is your responsibility to provide supporting documentation, such as transcripts and course description(s) from your previous college(s). You will be allowed to enroll conditionally in the target course for ten working days. If, at the end of ten working days, you cannot provide documentation that you have met the prerequisite through Course Equivalency, then you will be dropped from the course.

3. You satisfied the prerequisite through Multiple Measures. Shasta College recognizes that you may have gained the prerequisite skills for some courses by means other than the two mentioned above. For example, you may have completed high school courses that covered the same topics as the prerequisite course. Or, perhaps you gained the prerequisite skills through work experience. Whatever the means, if you have gained skills that are equivalent to those that you would get by taking the prerequisite course at Shasta College, you should take your supporting documentation to a Shasta College counselor before you try to register. The counselor will direct you through the Multiple Measures Procedure.

Note: If you are attempting to register in a course that has Math, English or Chemistry as a prerequisite, then part of the Multiple Measures Procedure might include an evaluation of your transcripts.

Note: Because you will be unable to enroll in the target course until a counselor determines that you have satisfied the prerequisite through Multiple Measures, it is in your best interest to see a counselor before attempting to register for the course.

Note: If you have a disability and believe that you could be successful in the class with reasonable accommodations, please schedule an appointment with a PACE Counselor at (530) 242-7790, before attempting to register for the course.

What is a Placement Level Number?

In some cases, such as in Math and English, the prerequisite is stated in terms of a Placement Level. Your Placement Level is a number that is based on many factors which may include high school course work and assessment placement test scores. You will be assigned a Placement Level after completion of the Course Equivalency and/or Multiple Measures process.

Can I challenge a prerequisite or corequisite?

Yes, you can. The five grounds for a student to challenge a prerequisite or corequisite are:

1. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.
2. The prerequisite or corequisite has not been established in accordance with the district's process for establishing prerequisites and corequisites.
3. The prerequisite or corequisite is in violation of Title 5.
4. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available, or accessible. For a full description see Title 5 Section 55201(f).

If you believe you have grounds for filing a challenge, please go to the Admissions and Records / Financial Aid “One Stop” for information on the Prerequisite Challenge Procedure. If you choose to file a challenge, you have the responsibility of showing that grounds exist for the challenge. **Note:** If you are citing reason # 1 as the basis for challenging the prerequisite/corequisite, you must first have failed to meet the prerequisite/corequisite through the Multiple Measures Procedure. You should seek advice regarding the challenge from a Counselor.

PREREQUISITE/COREQUISITE CHALLENGE PROCEDURE

The student can obtain a Prerequisite Override Petition to the Admissions and Records office website under “Enrollment Forms.” The Office of Instruction will retain documentation of Board Policy and Title 5 regulations regarding prerequisite/corequisite challenges. A student may review this information prior to submitting a Prerequisite Override Petition. A student who chooses to challenge a prerequisite or corequisite may do so for any of the following reasons identified above.

A statement of specific skills and abilities needed to enter the class for which the challenge is being issued will be made available to the student through the Office of Instruction on any workday.

The student must complete a Prerequisite Override Petition. The student must attach a completed and signed Multiple Measures Form to the Prerequisite Override Petition. The student must return these forms along with the other supporting documentation to the Enrollment Services Office. The student has the obligation to provide satisfactory evidence that the challenge should be upheld. Without supporting documentation, the application for a challenge will be considered incomplete and the challenge will be denied. When a complete application is filed, the Enrollment Services Office will forward the Prerequisite Override Petition and supporting documentation to the appropriate Academic Division Office. The Academic Division staff will arrange a Challenge Hearing. If the Prerequisite Override Petition is submitted during the period when the student is eligible to register for the course, and if space is

available, then the student will be conditionally enrolled in the target course until resolution of the challenge is complete. Two or more faculty members will conduct the Challenge Hearing. If possible, the faculty members will be from a discipline closely related to the target course. The student will have the right to attend and speak at the Challenge Hearing. Staff from the appropriate Academic Division Office will attempt to notify the student regarding the time and location of the Challenge Hearing at least one business day prior to the start of that hearing. The results of the Challenge Hearing will be documented and forwarded to the student and to Admissions and Records / Financial Aid "One Stop" Office within five business days from the date that the challenge was filed. If the College has not made a decision within five working days, then the student's challenge is upheld and the Admissions and Records / Financial Aid "One Stop" Office will allow the student to enroll in the course.

If a student is citing reason #2, #3, #4 or #5 as the basis for challenging the prerequisite/corequisite, the student must submit a completed Prerequisite Override Petition along with supporting documentation to the Associate Superintendent/Vice President of Instruction in the Office of Instruction.

The student has the obligation to provide satisfactory evidence that the challenge should be upheld. Without supporting documentation, the application for a challenge will be considered incomplete and the challenge will be denied.

When a complete application is filed, the Associate Superintendent/Vice President of Instruction will conduct a Challenge Hearing. This hearing will include, as voting members, the Associate Superintendent/Vice President of Instruction, one faculty from the Curriculum Council, and one other faculty, preferably from a discipline closely related to the target course. The student will have the right to attend and speak at the Challenge Hearing. Staff from the Office of Instruction will attempt to notify the student regarding the time and location of the Challenge Hearing at least one business day prior to the start of that hearing. The results of the Challenge Hearing will be documented and forwarded to the student and to the Admissions and Records / Financial Aid "One Stop" Office within five business days from the date of the hearing. If the College has not made a decision within five working days, then the student's challenge is upheld and the Admissions and Records / Financial Aid "One Stop" Office will allow the student to enroll in the course.

Note 1: Students who submit a Prerequisite Override Petition claiming that a specific disability is a factor in their challenge rationale must forward a copy of the Prerequisite Override Petition to the PACE (Partners in Access to College Education) Office. The PACE Office will determine if accommodations or academic adjustments are warranted.

Note 2: Students who initiate the challenge procedure during registration may obtain the Prerequisite Override Petition at the registration site and submit the completed form along with supporting documentation at that site. If space is available, the student will be provisionally enrolled in the target course until resolution of the challenge is complete. Staff at the registration site will time-stamp the form and forward it to the Enrollment Services Office or to the Associate Superintendent/Vice President of Instruction, as appropriate. The Challenge Procedure will then proceed as outlined above.

STUDENT EQUITY AND ACHIEVEMENT PROGRAM (SEAP)

The objective of the Student Equity and Achievement Program (SEAP) is to assist students in designing and planning their educational goals. The process begins with admission and ends when the student achieves his/her educational goal.

The California Community Colleges Board of Governors approved changes that will establish system-wide enrollment priorities designed to ensure classes are available for students seeking job training, degree attainment or transfer and to provide incentives to students who make progress toward their educational goals.

New students who have completed college orientation, assessment and developed educational plans as well as continuing students in good standing who have not exceeded 100 degree-applicable units (not including units in basic English, math, or English as a Second Language) have priority over students who do not meet the criteria.

To receive State and Federal Grants for the Summer 2024/Fall 2024/Spring 2025 academic school year, APPLY NOW! The student must complete the “FREE APPLICATION FOR FEDERAL STUDENT AID” (FAFSA) which is available online at studentaid.gov. Alternatively, students who are not eligible to submit the FAFSA should look into the CA DREAM Act Application available online at <https://dream.csac.ca.gov/>. Additional verification documents may be required by the Financial Aid Office; check MyFinancialAid in MyShasta. Students’ communication regarding their financial aid status and eligibility is accessed through “My-Shasta” as well as via email. The Financial Aid webpage is an important source of information for all students and will answer many questions. The application and processing times vary depending on the date paperwork is submitted to the Financial Aid Office. To access the Financial Aid webpage, click on the following link: [Financial Aid](#). **Please note that there are processing times for all financial aid awards; the website notes those processing times for each type of award.**

If a student is awarded a grant and/or loan, it is the student's responsibility to notify the Financial Aid Office to cancel the award if he/she wants to receive grants or loans at another college. Students can only receive federal and state grants (excluding the California College Promise Grant) at one institution at a time.

The California College Promise Grant (CCPG), formerly called the BOG Fee Waiver, is available for qualified students and will waive the Enrollment Fee (currently \$46/unit). Students must be a CA Resident or meet the AB540 Affidavit requirements to receive the CCPG. It is recommended that the CCPG application be completed at least three days prior to registration to allow sufficient time to determine eligibility and processing. File an application with the Financial Aid Office at [California College Promise Grant Application](#). The CCPG will waive the \$46/unit enrollment fee ONLY; all other fees owed to the college will be the student's responsibility to pay. CCPG applications are available online. After completing and submitting the CCPG online application, the student will receive an email notification regarding eligibility. If the student is eligible, the cost of registration could be as low as \$46.50. There are three ways to qualify for the CCPG:

If you fall within these income levels:

| Number in Household (Including yourself) | Total Family Base 2021 Year Income Adjusted Gross Income and/or Untaxed Income * |
|---------------------------------------------|-------------------------------------------------------------------------------------------|
| 1 | \$20,385 or less |

- c. General Assistance or
- d. If you have certification from the CA Department of Veterans Affairs that you are eligible for a dependent's fee waiver, submit Letter of Eligibility to the Veterans Support and Success Center, Bldg 1500.

2. You may also qualify for the CCPG by filing the Free Application for Federal Student Aid (FAFSA). In addition to enrollment fee assistance, you may qualify for funds to pay for books, supplies, transportation, child care, etc.

As an additional source of aid, many scholarships are offered to Shasta College students. A listing of the offerings and applications for the 2023-24 school year are available to enrolled students on the Financial Aid webpage starting:

- ▶ Fall August 2023
- ▶ Spring January 2024

LOSS OF ELIGIBILITY FOR CALIFORNIA COLLEGE PROMISE GRANT (FORMERLY KNOWN AS THE BOG FEE WAIVER)

Beginning Fall 2016, a student shall become ineligible for a California College Promise Grant (BOG) if the student is placed on academic or progress probation, or any combination thereof, for two consecutive primary terms. Loss of eligibility shall become effective at the first registration opportunity after such determination is made. The District shall notify students of their placement on academic or progress probation no later than thirty days following the end of the term that resulted in the student's placement on probation.

Students are advised to schedule an appointment with a counselor to determine which student support services would best assist them in maintaining and reestablishing California College Promise Grant (BOG) eligibility.

A student may appeal the loss of a California College Promise Grant (BOG) due to extenuating circumstances; when a student with a disability applied for, but did not receive, a reasonable accommodation in a timely manner; changes to a student's economic situation; evidence a student was unable to obtain essential support services; and/or special consideration of factors for CalWORKs, EOPS, DSPS, and Veteran students. Extenuating circumstances are verified cases of accidents, illnesses, or other circumstances that might include documented changes in the student's economic situation or evidence that the student was unable to obtain essential student support services. Extenuating circumstances also includes special consideration of the specific factors associated with Veterans, CalWORKs, EOPS, and DSPS student status. Students who have demonstrated significant academic improvement may retain or appeal the loss of the California College Promise Grant (BOG). Significant academic improvement is defined as achieving no less than the minimum grade point average and progress standard established in section 55031 (a) and (b). A student who successfully appeals the loss of enrollment priority shall also have California College Promise Grant (BOG) eligibility restored.

A [Loss of California College Promise Grant \(BOG\) appeal form](#) may be submitted online to the Admissions and Records

Department. The completed California College Promise Grant (BOG) Appeal Form may be submitted in person to the Admissions and Records Department in Building 100, room 139 or via USPS at: Admissions and Records Department, [11555 Old Oregon Trail](#), P.O. Box 496006, Redding, CA 96049-6006, Attn: Appeals Committee. Please include all supporting documentation with your completed appeal form.

Foster Youth shall not be subject to loss of the California College Promise Grant (BOG) due to placement on academic or progress probation. This exemption for Foster Youth is effective until the date specified in Education Code section 66025.9(c)

CalWORKs (California Work Opportunities and Responsibility to Kids)

Location: Main Campus, 2000 building, EOPS/CARE/CalWORKs suite

Phone Number: (530) 242-7749

Hours of Operation: 8:00 a.m. – 5:00 p.m. Monday-Friday

The Shasta College CalWORKs program provides holistic and equitable student services to CalWORKs students in support of their families as they reach economic and social empowerment through education.

The Shasta College CalWORKs Program serves students who are referred from the Shasta, Tehama, or Trinity Counties Social Services' CalWORKs Programs. Eligible students are those receiving the adult portion of cash aid. Shasta College CalWORKs acts as an additional connection between students active on CalWORKs and their County workers.

CalWORKs students receive one-on-one assistance with enrollment, registration, financial aid processes, and comprehensive educational counseling. Continuing CalWORKs students receive specialized support regarding academic progress and maintaining eligibility for priority registration, and CalWORKs hourly requirements. Other support services may include school related books and supplies, gas cards, emergency cash grants, and work study. For more information email CalWORKs@shastacollege.edu or click the following link: [CalWORKs](#).

CARE (Cooperative Agencies Resources for Education)

Location: Student Center Building, (2000 Building), Room 2005

Phone Number: (530) 242-7540

Hours of Operation: 8:00 a.m. – 4:30 p.m. Monday-Thursday and 8:00 a.m. – 12:00 p.m. Friday

CARE is a program that provides support services to full time EOPS students who are at least 18 years old, have at least one dependent child, are receiving CalWORKs cash aid for them or their dependent(s), and are considered single head of household by the county they reside. Support services provided to CARE students may include supplemental assistance with textbooks, supplies, food, grants, specialized counseling and advisement, personal development activities, information and referrals to campus and community services. The purpose of the program is to assist CARE students in pursuing educational goals and obtaining job/career skills leading to meaningful employment. Services are also available on the Tehama Campus. ECONOMIC AND WORKFORCE DEVELOPMENT (EWD)

The Economic and Workforce Development (EWD) Division at Shasta College is an integral part of the California Community College system, investing funding and resources in industry sectors that are key to California's economic growth. The goal is to invest in the skills of California's workforce – now and in the future – through partnerships with the K-12 system, businesses, and industry that result in highly specialized industry training, technical consulting, and business development. The end result is to meet the industry's need for skilled workers. Shasta College is host to various grants focused on industry specific pathways, including California Apprenticeship Initiative grants funding employer-driven skills training in the forest sector and implementing innovative apprenticeships in business pathways such as accounting.

Employer Partnerships: EWD employs 9 directors of employer partnerships. These individuals work as a team to develop employer relationships and hiring pathways to create positive outcomes for students in CTE programs. Students interested in a rewarding career can connect with our career services center, the Career Café, and also ask to meet with the director of employer partnerships on their campus to learn more about immediate hiring and/or internship opportunities in their field of interest, both within our community and throughout northern California.

Apprenticeship: Shasta College's Office of Apprenticeship hosts and manages CA registered apprenticeships, pre-apprenticeships, and earn-and-learn programs that span the entire state. It currently houses the CA Registered Apprenticeship of Forest Training (CRAFT), the Accounting Services Employment Training (A\$ET), and the Heavy Equipment Logging Operation (HELO) pre-apprenticeship. A pre-apprenticeship in customer service and expansion of the existing apprenticeships are currently under way.

Community Education: We offer classes that are easy, fun, and cost-effective. Addressing all ages and skill levels, our classes open the door to new experiences. Take time for yourself and enjoy some personal enrichment experiences or professional development opportunities. Discover a passion, find a calling, develop your skill set, create a career, raise your awareness, satisfy your curiosity, have fun and meet like-minded people following a passion – at Community Education.

Business Training Center: By partnering with local businesses and industry, the Business Training Center is able to enhance our community's economic growth through cost-effective, results-oriented training services that are relevant and performance-based. Our specialized training, technical consulting, and business development contributes to your organization's effectiveness, competitiveness, and profitability by contributing to continuous workforce improvement. It also offers to qualified businesses special funding opportunities for training through the Employment and Training Panel (ETP). ETP fulfills its mission by reimbursing the cost of employer-driven training for workers. The Business Training Center is experienced at securing funding on behalf of business customers. We handle the administrative processes and we deliver the training program that fits your business's needs and goals. All you need to do is send your employees to training.

SHASTA CARES PROGRAM

Shasta CARES (Campus Advocacy, Resources, and Education for Safety) works side-by-side with the Shasta College community to provide advocacy, support, and education to reduce sexual assault, domestic violence, dating violence, and stalking. Together we work toward a safe and healthy community.

Through the Shasta CARES program, campus and community partners meet on a monthly basis for the Coordinated Community Response Team (CCRT).

The CCRT on the Main Campus is currently comprised of members from [Student Services](#), [Campus Safety](#), [One SAFE Place](#), and [Redding Police Department](#). The CCRT on the Tehama Campus is comprised of members from Extended Education, Campus Safety, [Rape Crisis Intervention and Prevention](#), [Empower Tehama](#), [Red Bluff Police Department](#) and [Tehama County Sheriff](#).

The teams work together to create a survivor-centered response and develop culturally competent violence prevention programs. Shasta CARES provides primary prevention programming and events to educate the campus on realities of sexual violence, domestic violence, dating violence, and stalking. The events and workshops promote healthy behaviors, equity, safety, accountability, and active bystander intervention.

Students and employees can access the following confidential services through our partnership with One SAFE Place, Empower Tehama and Rape Crisis Intervention and Prevention: crisis counseling, emergency shelter, legal assistance, court accompaniment, resources and referrals, victim advocacy, case management, emergency food and clothing, and support groups.

For more information, visit the Shasta CARES website: www.shastacollege.edu/shastacares or visit the Shasta CARES Facebook: www.facebook.com/shastacares.

Hours of Operation: 8:00 a.m. – 4:00 p.m. Monday-Friday. Closed 12:00 p.m. – 1:00 p.m. for lunch.

The Student Health & Wellness Office offers students an opportunity to make an in-person or HIPAA compliant telehealth appointment with the College Nurse, Psychological Counselor, and/or Contracted Physician. You may reach us by completing the [Request a Consultation](#) online form, phone, or stop by the office. Provider services are available to students residing in California and who are currently enrolled in credit bearing courses for the current semester and have paid the health fee. However, all students may utilize our fabulous online resources via our webpage and can call for more information.

Confidential services are provided to students at no cost, which include: first aid/care for injuries, treatment for acute injuries and illnesses, OTC (over-the-counter) medications, TB skin tests and/or Risk Assessment Questionnaires, health screenings, health education, and psychological counseling. Cholesterol screenings and flu shots are offered for a nominal fee. We also provide community resources for reproductive health care. Physician consultations are available during the fall and spring semester for academic programs/uncomplicated employment physicals and the initial diagnosis and treatment of short-term illnesses (see [MD Clinic Dates](#)).

Any student under the age of 18 is required to have a parental consent form signed before receiving treatment, except in emergencies or cases exempted by law.

The Student Health office also manages the Student Accident Reporting and Insurance process.

PLEASE NOTE: The Student Health & Wellness Office is not a primary care office. Medical (physician) services are contracted and limited. For more information, please visit our website or call (530) 242-7580. Hours and/or days of service are subject to change without notice. Please be aware there may be times when the College Nurse and/or Psychological Counselor are out of the office, or off campus, during regular office hours.

The Shasta-Tehama-Trinity Joint Community College District is a smoke and tobacco-free environment. Smoking, vaping, and the use of tobacco products is prohibited on all District property at all times. This applies to students, faculty, staff, administrators, visitors, and general members of the public. Shasta College Administrative Procedure AP 3570 addresses smoking/vaping and the prohibition of spitting chew tobacco in classrooms (into cups, trashcans, etc.). Willful non-compliance is a violation of college policy and the Student Standards of Conduct.

TRIO Programs

TRIO Student Support Services (SSS) is a federally funded program for eligible full-time students who are first generation and limited income and who are preparing to transfer to a four-year university to earn a bachelor's degree. TRIO-SSS provides support services

such as tutoring, counseling, calculator loans, financial literacy workshops, cultural and social activities, university tours, and transfer assistance. For additional information on SSS, please visit room 2070 in the Student Center, call (530) 242-7690, or email us at trio@shastacollege.edu. Current TRIO SSS students should check the TRIO SSS page in Canvas regularly for program updates.

The TRIO Educational Talent Search (ETS) identifies and assists 6th through 12th grade students who are first generation and limited income and who have the potential to succeed in higher education. The program provides academic, career, and financial aid information to participants and encourages them to graduate from high school and continue their education at a postsecondary institution of their choice and graduate from college. The program serves 500 students at 4 middle schools and four high schools in Shasta County. For more information, please contact the Project Director at (530) 242-7690, or email us at trio@shastacollege.edu.

TRIO Upward Bound (UB) Program provides comprehensive support to first-generation limited income high school students in their academic and college access preparation. The goal of Upward Bound is to increase the rate at which participants complete secondary education and enroll in and graduate from institutions of postsecondary learning. Upward Bound students participate in a six-week summer residential program at Shasta College. Upward Bound serves 65 students at Enterprise and Central Valley High Schools, and Gateway to College and 60 student at Corning Union High School. For more information, please contact the Project Director at (530) 242-7690, or email us at trio@shastacollege.edu.

STUDENT INFORMATION

ACADEMIC FREEDOM POLICY

Reference: Title 5, Section 51023; Accreditation Standard 2.2; BP 4030; approved 4/9/03

Controversial issues and divergent viewpoints have existed among men throughout the history of civilization. Only in a constitutional republic such as ours has a high degree of freedom of expression been permitted. There must be freedom of the

student and teacher to present their viewpoints in and out of the classroom. American democracy is strong enough to stand on its own merits and to survive criticism and comparison with any system so long as its advantages and virtues are not deliberately slighted in such comparisons. However, an atmosphere of responsibility to the student, the College, the community and the nation must accompany these freedoms. To carry out their mutual responsibilities to each other and to ensure these principles of academic freedom, the Board of Trustees, the administration and faculty agree to support certain guiding principles and procedures as set forth below.

1. The faculty member shall:

- a) Be entitled to freedom of expression in teaching his/her subjects in the classroom. He/she shall encourage fair examination of controversial questions. He/she shall encourage students, by word and example, to form their own opinions based upon critical judgment and documented facts. In his/her presentation of subject matter to his/her students, he/she shall distinguish between objective facts and his/her personal evaluation of facts.
- b) Be supported in his/her right to participate in legal political activities of the community, state and nation during off-duty hours. No disciplinary action may be brought to coerce him/her for political purposes. (Education Code 13004, 13754). He/she shall permit no outside political activities to interfere with his/her academic duties. He/she should always make clear to audiences that the opinions expressed regarding outside political activities are his/her own and not to be taken as necessarily representing the policies of the College. He/she should refrain from making irresponsible statements to any group.
- c) Be ever cognizant that it is illegal to advocate the overthrow of the Government by force (Education Code 9455). He/she should make a clear distinction between the description of such philosophies as might fall in that category and the advocacy of such philosophies.
- d) Emphasize the need for maintaining a level of individual integrity and responsibility consistent with good community relations of the College, when associated with student activities that reach beyond the classroom.
- e) Provide a fair platform for the presentation of facts when outside speakers are invited to the classroom on the campus.

Such speakers should be free to speak on topics which are relevant to questions being discussed in the classroom or campus situation. It may, at times, be desirable for the faculty members and administration to provide information and viewpoints to rebut opinions expressed by such speakers in order to encourage critical analysis of the questions discussed.

2. Classroom policy regarding the discussion of controversial issues shall be:

- a) That free classroom expression by the instructor and the students be encouraged so long as topics are pertinent to the course being taught. The instructor is careful to be accurate, responsible and aware of the immaturity of some of the students in presenting and discussing controversial topics.
- b) That the instructor avoids prejudicial indoctrination. He/she points out to students that there may be other recognized views, and he/she carefully distinguishes between personal opinion and documented fact. He/she avoids imposing his/her opinion regarding controversial topics through the pressure of his/her authority in the classroom.
- c) That discussion of religious concepts is free from restraint so long as it is an integral part of the subject being taught and does not become sectarian indoctrination.
- d) That the teacher respects the student's right to differ in opinion in any discussion of controversial issues, without penalty, attack, or reflection in grading.

FIELD TRIP/EXCURSION WAIVERS

Throughout the semester/school year, the District may sponsor off-campus, extra-curricular field trips/excursions. If you choose to participate, be advised that pursuant to California Code of Regulations Sub-Chapter 5, Section 55220, you have agreed to hold the District, its officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with your participation in the activity.

PRIVACY RIGHTS OF STUDENTS

The Family Educational Rights and Privacy Act (Section 438, Public Law 93-380) requires educational institutions to provide: access to official education records directly related to the student; an opportunity for a hearing to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate; that the college must obtain written consent of the student before releasing personally identifiable information about them from records to other than a specified list of persons and agencies; and that these rights extend to present and former students of the college.

1. Education records generally include documents and information related to admission, enrollment in classes, and grades and related information.

2. The Dean of Enrollment Services has been designated "Records Officer", as required by the Act.
3. Education records will be made available for inspection and review during working hours, by presently and formerly enrolled students, within 45 days following completion and filing of a request form with the Records Officer.
4. A student may challenge the accuracy of his/her educational records and request that the Records Officer make appropriate corrections. If these informal proceedings do not settle the dispute with the student's records, the student may submit an appeal in writing to the "Designated Officer", the Vice President of Student Services, on forms provided by the office. The Designated Officer will then assign the matter within 10 school days to a "Hearing Officer," who is the chair of the Scholastic Standards Committee.
5. During the informal proceedings, the Records Officer may make such adjustments or changes not constituting interference of integrity of professional entries. The Hearing Officer will set a date for the hearing, at the conclusion of which he/she will render a decision to the President of the college who will make the final decision of what action is to be taken.
6. The college may release certain types of "Directory Information", unless the student submits in writing to the Records Officer that certain or all such information not be released without his/her consent. Directory Information at Shasta College includes:

(1) student name and city of residence; (2) participation in recognized activities and sports; (3) dates of attendance; (4) degrees and awards received; and (5) the most recent previous education agency or institution attended, and height and weight of members of athletic teams which may be released only by the appropriate athletic staff member or the Dean of the area. In addition to the above- stated Directory Information, the college may also report student name, address, telephone number, date of birth, level of education, and major to the federal government, including military recruiting agencies in accordance with Public Law 104-208 and 104-206

(Solomon Amendment). Individuals requesting Directory Information must specify student's complete name(s) and any other personally identifiable information that will assist the college to identify the student and research the requested information.

7. Student consent is needed for the release of any non-directory information/records covered by the Act to outside parties (for example: prospective employers) except for those agencies entitled to access under the provisions of the Act (for example: campus officials, other schools, federal educational and auditing officials, and requests in connection with the application or receipt of financial aid).
8. Students have the right to refuse to allow the college to designate information as directory information which could be disclosed to outside entities. Students must notify the Dean of Enrollment Services in writing by the Friday before census day of the fall or spring semesters if the student does not want information designated as directory information. This deadline is the student's only way to prevent the release of directory information.

A copy of the College Board Policy 5040 and other pertinent information are available for review and inspection in the Dean of Enrollment Services office.

STUDENT RESPONSIBILITIES AND STUDENT RIGHTS

Student Responsibilities:

1. Students, upon admission to the college, are required to express at least a broad educational goal and declare a specific major within a reasonable period of time after admission.
2. Students are expected to diligently attend class and complete courses.
3. Students are expected to maintain progress toward an educational goal.

Student Rights:

1. All students, even those who are exempt, have the right to participate in the matriculation component(s) of their choosing.
2. Students may enroll in any course for which they can meet necessary and valid prerequisites.
3. Students have the right to request a waiver of a prerequisite that is not valid.

TRANSPORTATION NOTICE

Some classes may be held off campus. Unless you are specifically advised otherwise, you are responsible for arranging for

transportation to and from the class site. Although the District may assist in coordinating the transportation and/or recommend travel time, route or caravanning, be advised that the District assumes no liability or responsibility for the transportation, and any person driving a personal vehicle is NOT an agent of the District.

UNLAWFUL DISCRIMINATION POLICY

Compliance Statement: The Shasta-Tehama-Trinity Joint Community College District (the "District") complies with the California Education Code, Title

5 of the California Code of Regulations, the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation

Act of 1973 and Title II of the Americans with Disabilities Act, in addition to all other governing federal, state, and local laws.

Anti-Discrimination Policy: It is the policy of the District to provide an environment free from unlawful discrimination, and the District is committed to ensuring equal opportunity and access in its education programs and employment, including physical access to mobility-impaired individuals.

No individual on the basis of race, color, national origin, ethnic group identification, national origin, ancestry, religion (or religious creed), age, sex, gender, gender identity, gender expression, sexual orientation, marital status, physical or mental disability, medical condition, genetic information, military or veteran status, or on the basis of these perceived characteristics or based on association with a person or group with one or more of these actual or perceived characteristics, shall be unlawfully denied full and equal access to the benefits of, or be unlawfully subjected to discrimination under, any program or activity that is administered by, funded directly by, or that receives any financial assistance from the Chancellor or Board of Governors of the California Community Colleges or the District. The District's strict forbiddance and zero tolerance of any form of unlawful discrimination includes harassment based on sex and any other protected status, i.e., unwelcome sexual advances and other unwelcome verbal and physical conduct, as defined by governing federal and state laws and applicable District policies.

The District has adopted administrative procedures to ensure that complaints of unlawful discrimination are addressed promptly and equitably in compliance with governing federal, state, and local laws and/or policies. An individual who believes that he/she has been subjected to unlawful discrimination, including harassment based sex or any other protected status, may file a complaint under Administrative Procedure (AP) 3430 (Prohibition of Unlawful Discrimination or Harassment), a copy of which can be found in the District's Human Resources Office, Administrative Building 100, Room

121, 11555 Old Oregon Trail, Redding, CA 96003, (530) 242-7640. An individual may also obtain a copy of the governing complaint procedure at the Campus Center Building 2000 in the Student Services Office or from the District's website at <http://www.shastacollege.edu/Student%20Services/DSPPS/Pages/Discrimination-Complaint-Procedure.aspx>.

- **Associate Vice President of Human Resources/Title IX Coordinator:** To obtain more information about the District's nondiscrimination policy generally or prohibition against sex discrimination under Title IX, please contact the Associate Vice President of Human Resources and Title IX Coordinator, P.O. Box 496006, Redding, California 96049-6006, (530) 242-7649.
- **Section 504/Title II Coordinator:** To obtain more information about the District's prohibition of discrimination against students with disabilities, please contact Sandra Hamilton Slane, Associate Dean of Student Services and Section 504 Coordinator, P.O. Box

496006, Redding, California 96049-6006, (530) 242-7799, sslane@shastacollege.edu.

Filing a Complaint of Discrimination: To file a complaint of unlawful discrimination involving students only, please contact Dr. Kevin O'Rorke, Vice President of Student Services, at (530) 242-7621 or ko'rourke@shastacollege.edu. For a complaint of unlawful discrimination involving an employee, please contact Human Resources at (530) 242-7649 or lbenson@shastacollege.edu. For all other complaints involving allegations of unlawful discrimination or if you have questions about the complaint filing procedure generally, please contact Human Resources at the contact information listed above.

An individual who wishes to file an unlawful discrimination complaint is encouraged to complete and sign the District's Unlawful Discrimination Complaint Form (Form). However, the District will treat a written and signed complaint submitted in a different format, such as a letter or e-mail, as if it were filed using the Form and will address its merits in a manner consistent with AP 3430.

The District will promptly and equitably investigate complaints of unlawful discrimination that meet the requirements of AP 3430. This equitable process will include the opportunity for the complainant to identify and present relevant witnesses and evidence for the

District's consideration during the investigation in a manner consistent with AP 3430.

The District will issue a written notice of its findings of its investigation under its formal resolution procedures within 90 days of receiving a complaint of unlawful discrimination. If the District finds that unlawful discrimination, including harassment and/or retaliation, occurred, the District will take appropriate action to remedy the unlawful discrimination. Retaliation against an individual who has filed a complaint of unlawful discrimination or participated in an investigation regarding such a complaint is strictly prohibited.

Declaración de cumplimiento: El Distrito Conjunto de Colegios Comunitarios de Shasta-Tehama-Trinity (el "Distrito") cumple con el Código de Educación de California, Título 5 del Código de Regulaciones de California, la Ley de Derechos Civiles de 1964, Título IX de las Enmiendas de Educación de 1972 y la Sección 504 de la Ley de Rehabilitación de 1973 y el Título II del Acta para los Norteamericanos con Discapacidades, además de todas las demás leyes que rigen federales, estatales y locales.

Política Anti-Discriminación: Es la política del Distrito para proporcionar un ambiente libre de discriminación ilegal, y el Distrito se compromete a garantizar la igualdad de oportunidades y el acceso a sus programas de educación y empleo, incluyendo el acceso físico a las personas con movilidad reducida.

Ningún individuo sobre la base de raza, color, origen nacional, grupo étnico, origen nacional, ascendencia, la religión (o credo religioso), edad, sexo, género, identidad de género, expresión de género, orientación sexual, estado civil, física o mental discapacidad, condición médica, información genética, estado militar o veterano, o sobre la base de estas características percibidas o basado en asociación con una persona o grupo con una o más de estas características reales o percibidas, será negado ilegalmente el acceso pleno e igual a los beneficios de, o ser sometidos ilegalmente a la discriminación bajo cualquier programa o actividad que se administra por, financiado directamente por, o que recibe alguna ayuda económica por el Canciller o la Junta de Gobernadores de los Colegios Comunitarios de California o el Distrito. La estricta prohibición del Distrito y la tolerancia cero de cualquier forma de discriminación ilegal incluye acoso por razón de sexo y cualquier otra condición protegida, es decir, los avances sexuales no deseados y otra conducta verbal y físico no deseado, como se define por las leyes vigentes federales y estatales y las políticas aplicables del Distrito.

El Distrito ha adoptado los procedimientos administrativos para asegurar que las quejas de discriminación ilegal se envían rápidamente y de manera equitativa en el cumplimiento de gobernar, el estado y las leyes y/o políticas locales federales. Una persona que cree que él/ella ha sido objeto de discriminación ilegal, incluyendo a base de acoso sexual o cualquier otra condición protegida, puede presentar una queja en virtud del Procedimiento Administrativo (AP) 3430 (prohibición de la discriminación o acoso ilegal), una copia del cual puede se encuentra en la Oficina de Recursos Humanos del Distrito, Edificio Administrativo 100, Sala 121, 11555 Old Oregon Trail, Redding, CA 96003, (530) 242-7640. Un individuo también puede obtener una copia del procedimiento de quejas que rige en el Edificio Campus Center 2000 en la Oficina de Servicios para el Estudiante o desde el sitio web del Distrito en <http://www.shastacollege.edu/Student%20Services/DSPS/Pages/Discrimination-Complaint-Procedure.aspx>.

- **Vicepresidente Adjunta de Recursos Humanos / Coordinador del Título IX:** Para obtener más información sobre la política de discriminación del Distrito en general o la prohibición de la discriminación sexual bajo el Título IX, por favor, póngase en contacto con Vicepresidente Adjunta de Recursos Humanos y Coordinador del Título IX, P.O. Box 496006, Redding, California 96049-6006, (530)

242-7649, lbenson@shastacollege.edu.

- **Sección 504 / Título II Coordinador:** Para obtener más información acerca de la prohibición del Distrito de la discriminación contra los estudiantes con discapacidad, por favor, póngase en contacto con Sandra Hamilton Slane, Vicedecana de Estudiantes y el Coordinador de la Sección 504, P.O. Box 496006, Redding, California 96049-6006, (530) 242-7799, sslane@shastacollege.edu.

La presentación de una queja de discriminación: Para presentar una queja de discriminación ilegal que involucra a los estudiantes solamente, por favor, póngase en contacto con el Dr. Kevin O'Rourke, Vicepresidente de Servicios Estudiantiles, al (530) 242-7621 o ko'rourke@shastacollege.edu. Para una queja de discriminación ilegal que involucra a un empleado, por favor, póngase en contacto con Gregory Smith al (530) 242-7646 o gsmith@shastacollege.edu. Para el resto de las quejas relacionadas con acusaciones de discriminación ilegal o si tiene preguntas acerca de la presentación de la queja procedimiento general, por favor comunicarse con la Sr. Smith de la información de contacto que aparece más arriba.

Una persona que desee presentar una queja de discriminación ilegal se anima a completar y firmar el Formulario para Queja de Discriminación Ilegal del Distrito (Formulario). Sin embargo, el Distrito tratar una queja por escrito y firmada presentada en un formato

diferente, como una carta o correo electrónico, como si estuviera presentada utilizando el Formulario y se dirigirá a sus méritos de una manera consistente con AP 3430.

El Distrito investigará con prontitud y de manera equitativa las quejas de discriminación ilegal que cumplan con los requisitos de la AP 3430. Este proceso equitativo incluirá la oportunidad al demandante para identificar y presentar testigos y pruebas pertinentes a la consideración del Distrito durante la investigación de una manera consistente con AP 3430.

El Distrito emitirá una notificación por escrito de sus conclusiones de su investigación de conformidad con sus procedimientos formales de resolución dentro de los 90 días de haber recibido una queja de discriminación ilegal. Si el Distrito determina que la discriminación ilegal, incluido el acoso y / o represalias, ha ocurrido, el Distrito tomará las acciones apropiadas para remediar la discriminación ilegal. La represalia contra un individuo que ha presentado una queja de discriminación ilegal o ha participado en una investigación relacionada con una denuncia de este tipo está estrictamente prohibida.

CAMPUS SAFETY INFORMATION

POLICY AGAINST SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE AND STALKING

Any sexual assault or physical abuse, including, but not limited to, rape, domestic violence, dating violence, sexual assault, or stalking, as defined by California law, is a violation of District policies and regulations, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. This is prohibited, whether committed by an employee, student, or member of the public, occurring on District property, in connection with all the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District's facilities or at another location, or on an off-campus site or facility maintained by the District, or on grounds or facilities maintained by a student organization.

For a complete copy of the Shasta-Tehama-Trinity Joint Community College District policy against Sexual Assault, Domestic Violence, Dating Violence and Stalking, you can visit the following link and click on the policy BP/AP 3540 entitled Sexual Assault and Other Assaults: <https://go.boarddocs.com/ca/shasta/Board.nsf/goto?open&id=AWVADJ272F9E>.

Shasta College issues this policy statement to inform the community of our comprehensive plan addressing sexual misconduct, educational programs, and procedures that address sexual assault, domestic violence, dating violence and stalking, whether the incident occurs on or off campus and when it is reported to a college official. In this context, Shasta College prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking and reaffirms its commitment to maintain a campus environment, emphasizing the dignity and worth of all members of the college community.

Any publicly available record keeping that Shasta College collects, including Clery Act reporting and disclosures, will not include personally identifiable information about the victim. The College will maintain as confidential any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations for protective measures.

REPORTING OPTIONS:

Shasta College encourages all students and employees to promptly report incidents, crimes, or concerning behaviors in order for the campus to help prevent future incidents or crimes. Additionally, by promptly reporting, Shasta College can better assist individuals and connect them to resources.

Shasta College utilizes online forms to report crimes, standards of conduct violations (students or non- students), general incidents, and concerning behavior. These forms can be utilized for off-campus situations, however we encourage the use of your local resources, such as the law enforcement agency having jurisdiction in relation to non-student matters. Campus Safety can assist you in this reporting if you feel more comfortable with reporting to your school designated representatives.

Please follow this link to view forms and the full disclosures of each form's purpose: [Report an Incident Online](#) These forms are available on the following webpages: Student Services, Campus Safety, Human Resources and Health and Wellness.

Please keep in mind individuals may still report crimes, standards of conduct violations (students or non- students), general incidents, and concerning behavior that occur on or off the campuses through any of the following means:

Call Campus Safety at (530) 242-7910 or go to the Campus Safety Department in Room 6500. Campus Safety can assist your reporting to the law enforcement agency having jurisdiction.

Use an emergency blue telephone located throughout the main campus.

JEANNE CLERY CAMPUS CRIME STATISTICS (CLERY ACT)

In 1990, congress enacted the Crime Awareness and Campus Security Act (Title II of Public Law 101-542) which amended the Higher Education Act of 1965 (HEA). This act required all postsecondary institutions participating in HEA's Title IV student financial assistance programs to disclose crime statistics and security information. Amendments to the act were made in 1992, 1998, and 2000. The 1998 amendment renamed the law Jeanne Clery Disclosure of Campus Security Policy and Campus Crimes Statistics Act in memory of a student slain in her dorm room in 1986, and is referred to as the Jeanne Clery Act or Clery Act.

The Clery Act provides students, their families and Shasta College faculty and employees with accurate, complete, and timely information about safety on campuses so that they can make informed decisions. Shasta College complies with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act) 20 USC § 1092(f). The Shasta College Annual Security Report (ASR) is provided to help ensure a safe environment for our college community and prospective students and employees. This document contains statistics for the previous three years concerning reported crimes that occurred on campus and on public property immediately adjacent to and accessible from the campus and fires that occurred in on-campus housing facilities. Additionally, the report provides valuable safety and security information including descriptions of the campus safety programs and policies, information regarding safety notification and emergency response procedures, missing student notification procedures, campus law enforcement, sexual assault, domestic violence and stalking prevention programs, and fire safety programs.

A complete copy of the ASR may be obtained from the Campus Safety Office located in Room 6500. Students are notified of the report availability via e-mail, web site, and new student orientations. Faculty and staff receive notification via e-mail or campus mail. A printed copy of the report may be requested from the Campus Safety office Monday through Friday 8:00 a.m. to 5:00 p.m., excluding holidays. Prospective employees may obtain a printed copy from Human Resources. The report is also available through our Campus Safety website: www.shastacollege.edu/asr and can be downloaded in PDF form.

COURSE INSTRUCTION TYPES

Shasta College courses are available in various formats, ranging from traditional classroom settings to Internet-based varieties. Internet courses typically offer greater flexibility for students' schedules. Contrary to some beliefs, however, Internet-based courses are not easy. These courses require a well-disciplined, motivated student with computer skills; familiarization with the Internet; a reliable computer; and a high-speed Internet connection.

FACE-TO-FACE:

Courses held in a traditional format. Course days and times are scheduled, and the student must attend class.

WEB ENHANCED

Courses meeting face-to-face AND which utilize the Internet to augment course materials. Course days and times are scheduled, and the student must attend class. No class hours are scheduled to be replaced by online time.

HYBRID

Courses meeting face-to-face for a certain number of instructional hours **AND** a portion of the required instructional hours are conducted online. Students **MUST** access online materials to successfully complete course requirements. Days and times of actual face-to-face meetings are shown, followed by "+ INTERNET."

ONLINE

Courses requiring all class content, activities, and interaction be done online. Students **MUST** access online materials to successfully complete course requirements. Fully online courses are listed as "INTERNET."

VIDEO CONFERENCE ONLINE

Synchronous courses taught by video conferencing /web cam to all students at the same class time with set weekly hours and interaction between students and instructors.

For Internet-based (fully online) course offerings see courses listed at the end of the schedule or, visit the Shasta College website at [Online Courses](#)

Materials fee \$1030 FIRS-104 Notes: 1. Students wishing to register in more than 18 units must obtain a counselor's permission before registration. 2. Prerequisites: Students must have completed FAID 132 EMR, or FAID 130 California Public Safety First Aid, or FAID 75 EMT, or the equivalent and FAID 133 CPR, or the equivalent. Students who attempt to satisfy these prerequisites with courses from another institution must provide transcripts that verify a minimum grade of B (80%) has been met. 3. Pre-requisite: FIRS 398 Fire Academy Orientation must be completed prior to the beginning of FIRS 104 (Firefighter 1 Academy). Attendance is mandatory. 4. The California State Fire Marshal's Office requires that all Firefighter 1 summative tests be completed with a minimum score of 80% (a grade of B or higher). Any student who does not meet this standard will have failed FIRS 104 and will not receive credit for the course, nor will the student receive a course completion certificate. 5. Required Materials: Required materials include items such as student manuals, uniforms, personal protective equipment, rope and webbing, certificates, water bottle, etc. To ensure consistency, please order only the exact items listed in the orientation letter. You must have all required materials, equipment, and uniforms in your possession on the first day of class. If you are missing anything, you will be sent home. 6. Enrollment fees: Resident students; \$1,006.50 (\$46.00 per unit [21 units]; and \$40.50 Student Services fee). 7. Certificate Fees: Approximately \$900.00. Fees vary according to the certificates being sought. This fee covers certificates from the California State Fire Marshal's Office, Cal-OES, CSTI, or similar agencies that have certification fees attached to their courses. Graduates of the academy will receive additional certificates that do not have fees attached. A complete listing of certificates with or without fees is available from the Fire Technology Office. Unused paid fees will be refunded to the student. Payment of certificate fees

is due at time of enrollment. 8. Emergency Medical Information Form: An Emergency Medical Information Form must be completed and signed by a licensed physician citing full participation in rigorous training. If a full physical has been completed within the last six months, bring a copy of that physical to the class. 9. Respiratory Medical Evaluation Questionnaire Fee: Approximately \$55.00 (subject to change). Students must complete this questionnaire and submit it for review to Redding Occupational Medical Center (ROMC). This evaluation is mandatory to help determine the student's ability to wear a respirator. In some cases, ROMC may recommend an additional physical exam to complete the evaluation. 10. While the Fire Academy meets Monday through Friday, students should anticipate schedule changes based on weather, facilities use, mass illness, instructor availability, etc. In addition to class hours, students will be expected to complete an extensive amount of homework, meet in study groups and, if needed, come in on their own time to practice technical skills and improve physical conditioning. In short, this is a full time commitment for the semester. 11. Students taking the Fire Academy must have a computer, valid email address and reliable internet access throughout the semester (computers are available on a first-come/first served basis at the college library). Students will need effective computer skills. 12. Fire Academy students must be medically cleared for rigorous physical activity prior to the first day of class. The required medical forms can be picked up in room 6003 M-Th, 8:00 a.m. to 4:30 p.m. Students who do not have full medical clearance on the first day of class will not be allowed to participate in any Fire Academy activities and will be dropped from the class by the Director. Students should anticipate a very demanding, yet highly rewarding semester while completing this course.

Notes:

1. Twenty-four hours of clinical experience at a hospital emergency room or on an ambulance or an authorized rescue squad will be required. Most providers in the area have requirements for ambulance/hospital clinical participation time, which include proof of a current TB skin test; Hepatitis B vaccination, or declination; proof of vaccination, past history of or titer for MMR; proof of Tetanus vaccination less than ten years old; and either a past history of or a titer for Varicella (Chicken Pox). Check with the instructor for details.
2. State certification as an EMT requires that the student is at least 18 years old, has a current CPR card for the Professional Rescuer or any card equivalent to the 2015 American Heart Association's Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care at the Healthcare Provider Level or Basic Life Support (BLS) level, passes a recognized EMT course, has not been convicted of specific crimes, and completes the statewide written and skills examination. (As of 1/1/2006 the state has adopted the National Registry EMT exam as its statewide exam. Upon successful completion of the statewide exam, the student must submit an application to the Local EMS Agency (Sierra-Sacramento Valley EMS Agency) for certification, which is valid statewide.
3. This class meets for additional time "outside" of the scheduled weekly meeting time. This may include Saturdays, Sundays or night shifts.
4. State regulations require that EMT students possess CPR training equivalent to the 2015 American Heart Association's Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care at the Healthcare Provider level or Basic Life Support (BLS) level as a prerequisite for admission to an EMT-1 basic course.
5. Students are required to purchase nitrile gloves and a Shasta College EMT Program student photo ID card.
6. Students wishing to participate in clinical observations at certain healthcare facilities must submit proof of a drug screening and a background check through a Shasta College approved vendor prior to going into clinical facilities. Shasta College personnel must review and approve test results prior to students participating in clinical observations.
