First, let me offer my congratulations on making the decision to pursue higher education. It's a big step, but one with a high rate of return for the rest of your life. You have a lot of options and some major decisions ahead when it comes to choosing a college and career path. Shasta College can help you achieve your goals. We pride ourselves on being one of the top innovative leaders in higher education in California, and that translates to a better educational experience for our students.

A decision to enroll at Shasta College is a wise investment of your time, talent and resources. We welcome you to Shasta College, and to the wide new world of opportunities made possible through higher education.

Dr. Joe Wyse
Superintendent/President

Shasta College has two dorms – one for 63 women and one for 63 men. A Commons building provides recreational space and equipment for both indoor and outdoor activities.

A “residents only” kitchen equipped with microwaves, two stoves/ovens, a gas BBQ grill, and an ice/water machine is located in the Commons along with a computer lab and TV lounge. Residents enjoy a variety of social and recreational activities every month.

BUILD GLOBAL RELATIONSHIPS

Our Global Education Center houses three programs that allow you to explore diversity and culture either on campus or in another country: Global Expedition Program, Korean Exchange Program and the Global Relations Fellowship.

Take part in
real conservation research

with the Global Expedition Program.

Visit locations across the world such as South Africa,
Indonesia and Fiji while earning
transferable college-level credits.

Travel abroad and explore the sights and sounds of other cultures or take the opportunity to live in the dorms alongside a Shasta College partner student from South Korea. Whether you go abroad or stay local, Shasta College provides valuable cultural enrichment experiences that help build relationships with international friends, cultivate cultural sensitivity, and gain career education to prepare students to take their place in an increasingly global community.

IMMERSE YOURSELF IN CREATIVITY

The Fine and Performing Arts Department includes art, dance, music and theatre. This standout program features courses in ceramics, glass blowing, photography, printmaking and sculpture, to name a few.

The Shasta College Art Gallery's substantial art collection offers students first-hand exposure to relevant and important artists, galleries, collections and art education programs.

The Shasta College Music Department includes a theatre, band room, choir room, practice rooms with pianos and a computer/electronic laboratory. Performance opportunities include:

- **120-member Shasta College Symphonic Band**
- **Shasta Symphony Orchestra**
- **Concert Orchestra**
- **Shasta College Chorale**
- **Concert Choir and Chamber Choir**
- **Vocal Jazz Ensemble**
- **Shasta College Jazz Big Band**
- **Shasta College Opera Workshop**
- **Shasta College Vocal Institute**

Francie Sullivan
Mayor,
City of Redding 2015
Shasta College 1966-67

I had instructors...

who changed my life. I was an art major who had never held a paint brush. Burt Oldham and Richard Hornaday wept over my ineptness, and lack of talent. Don Boyd was my lifeline. His art history lectures still echo in my head when I visit an art museum. The only Biology class I ever looked forward to was taught by Don Kirk.... Attending Shasta College was one of the most rewarding experiences I've had.

Our hallmark program, the Shasta College Theatre, is a community favorite, operating year-round. The theatre program offers a variety of theory, production and technical theatre classes.

The department features two main stage productions each academic year and a Summer Theatre Festival of popular musicals and comedies. Community involvement is welcome.

The Shasta College Dance Program challenges the student's intellectual, expressive and physical capabilities as they study under instructors who work professionally in the field of concert and theatrical dance. The department's wide range of classes include introductory levels for non-majors, up to more intensified technical training for students who wish to pursue a career in the dance field. Courses include:

- **Ballet**
- **Jazz**
- **Modern Dance**
- **Tap**
- **Choreography**
- **Dance Combinations**

Doni Chamberlain

Editor/Owner of www.anewscafe.com

Shasta College, AA 1992 / CSU, Chico, BA 1994

Shasta College was a lifesaver for me.

I was returning to college as a high school graduate, a college dropout and a newly divorced woman with three kids. It was while taking Creative Writing that my life changed. My instructor pulled me aside and suggested a different path. That conversation fueled my inspiration and courage to change majors - that day - to Journalism. The insight of that one instructor altered the direction of my future for the better. Today I own and operate the highly successful online news site, www.anewscafe.com.

A photograph of two women sitting at a desk. The woman on the left has short brown hair and is wearing a rust-colored sweater. The woman on the right has long blonde hair and is wearing a blue denim jacket over a black top. They are both smiling at the camera. In the background, there is a framed world map and a framed picture of a globe.

Explore SUPPORT SERVICES

ACCESS GUIDANCE AND SUPPORT

Whether you are a first-year student
or returning to college,
Shasta College Student Services
will provide you with comprehensive support
to assist you in achieving your

educational goals.

Admission & Records and Financial Aid

(530) 242-7650

The office assists students with enrollment, registration, transcripts, all financial aid related inquiries (California College Promise/ BOG, Grants, Work Study, SEOG, Loans, etc.

Assessment

(530) 242-7751

The Assessment Center provides a variety of assessment and placement services to students and community members. Contact a Counselor for English and math placement.

Counseling

(530) 242-7724

Counselors provide academic, career and personal counseling services to help you achieve your goals. Contact a counselor today to set up your next appointment.

Enrollment Services

(530) 242-7656

Enrollment Services helps students enroll in classes, pay their fees and access their education records.

Health & Wellness

(530) 242-7580

Health and Wellness services include psychological counseling, doctor's visits, nurse consultations, health screenings, and other health-related services.

PACE

(530) 242-7790 - option #1

Partners in Access to College Education helps ensure proper accommodations are provided to students with disabilities so they have full access to higher education.

CARE

(530) 242-7540

As a supplemental component of EOPS, CARE provides educational support services designed for the academically under-prepared, low income, single parent.

EOPS

(530) 242-7540

This office focuses on supporting low income and academically disadvantaged students by providing several services including specialized counseling, financial assistance, book services, transportation assistance, and textbook assistance.

Student Services

(530) 242-7621

Provides high quality programs, services and guidance which contribute toward the success of our students and empower them to make informed decisions.

CalWORKs

(530) 242-7749

The Shasta College CalWORKs program assists CalWORKs participants to be successful in college and complete an educational program with a goal of sustainable employment and self-sufficiency.

Gateway to College

(530) 242-7585

A unique alternative education opportunity for high school students who are behind in credits. This is a real second chance to complete high school and begin college.

SCI*FI

(530) 242-7549

SCI*FI stands for Shasta College Inspiring and Fostering Independence. This is an educational support program for students who are current or former foster youth.

Student Life

(530) 242-7626

This office aims to increase student involvement opportunities through clubs, student leadership and campus events. It fosters cultural diversity, and ensures the safety of students to enrich their academic experience.

Student Success Center

(530) 242-7671

The Center is available to assist new students through the steps to enrollment process, support current students and connect all students to the campus resources which will help them achieve their goals.

Transfer Center

(530) 242-7570

The Transfer Center provides free workshops, university campus tours, visits/appointments with admissions representatives from other colleges and universities, and serves as a resource for all students considering transfer.

TRIO

(530) 242-7690

The TRIO Student Support Program provides intensive support and resources to Shasta College students whose parents do not have a college degree, or have a limited income, or have a documented disability.

Joanne Sengxay

Owner, Boba Tea and Coffee
Shasta College, AA 2010
Simpson University, BA 2012

Starting off at...

Shasta College was definitely a more affordable way to attend school. The support I received from EOPS, Financial Aid and TRIO really helped me. My amazing counselor assured me that, even though it was taking me a little long, I should not give up. I honestly cannot thank her enough for her support and guidance. The time I spent at Shasta College allowed me to figure out what I wanted to do and today I own and operate Boba Tea and Coffee with my sister on Hartnell and Churn Creek.

Student Senate/Clubs

(530) 242-7626

Student Senate and clubs offer a unique opportunity for students to get involved. Being involved and making connections leads to greater academic success. There are over 35 clubs to choose from or you can create your own!

Student Employment

(530) 242-7572

Students can check our online and physical job boards, get personalized help with resumes and cover letters, become employed with the college and learn interview techniques to get the job they want.

Tutoring

(530) 242-7589

There are 3 tutoring centers available: the Writing Lab, Math Lab and Science Lab. Tutors are free. Drop in or make an appointment.

Umoja

(530) 242-7628

The Umoja Program helps African American and other students achieve personal growth by providing Community Support, Mentorship Academic Counseling, Workshops, Service Learning, and Scholarships.

Explore TRANSFER

Will Goodson

Transfer Student

Phi Theta Kappa Honor Society

President, 2014-2016

UC Davis Regents Scholar

I ended the cycle of...

endless entry level jobs and enrolled at Shasta College to pursue the career I wanted. While I have put in a lot of time and effort towards school, my willingness to get involved is what has made the biggest difference in my life, and my college experience.

PREPARE TO TRANSFER

Shasta College has partnered with a variety of universities, including the California State University and the University of California system, to provide our students with two admission guarantee programs.

Associate Degree
for Transfer
A Degree with a Guarantee.SM

CSU Degree with a Guarantee

Students interested in transferring to a California State University campus are guaranteed admission if they earn an Associate Degree for Transfer (ADT) from Shasta College. The new joint transfer program is the best path for students to transfer between these two college systems. Go to www.adegreewithaguarantee.com to identify an ADT that is the right fit for you.

UC TAG program

The University of California also guarantees admission to Shasta College students through the Transfer Admission Guarantee (TAG) Program. Some UC campuses also offer an early review of the student's academic record, early admission notification, and specific guidance on major preparation and general education coursework. Interested students must meet campus-specific requirements to qualify.

HBCUs and AICCU

Historically Black Colleges and Universities (HBCUs) were established primarily to serve the higher education needs of the African-American community, however they are open to students of all ethnicities. California Community College students who meet eligibility requirements are guaranteed admission to several of the over 100 colleges that participate in the HBCU Transfer Guarantee program.

The Association of Independent California Colleges and Universities (AICCU) has also developed The ADT Commitment, which guarantees admission for ADT students who meet all necessary requirements.

28%

of University of California and
