- Other Reports
 - No other reports

5. Discussion/Action Items

- Two committee members, Wade Stewart and Lenore Frigo, are unable to continue on the committee. Recruitment from ACSS and PEAT?
 - Names were suggested by committee members; we should also sent out a broadcast e-mail to both divisions or possibly discuss with deans
- IAP and upcoming tasks/goals for Fall 2019

- Institutional Assessment Plan –Sara briefly reviewed the requirements to make the plan happen. She suggested that we are not ready to take action in earnest on the plan until we have a new AMS. The committee discussed some of the options for integrating important content. Among the ideas discussed included making training and mapping as part of the mandatory FLEX days or as part of optional FLEX days.
- SLO Reflection Reporting – Question came up about new faculty who did not have the opportunity to assess course last year. The suggestion was that they review the old information and review experiences about data that was reported last year.
- Reviewed some of the ISLO assessments plans in place for the remainder of the year.
