3. Opportunity for Public Comment – no public comment
4. News/Reports
 - a. Reports from Divisions (Committee Representatives)
 - i. SLO Coordinator's report:
 1. Sara will begin working on assessment training/information modules in Canvas. First module will be a history and overview of the learning outcomes assessment movement. Second module will involve tips and support for developing good SLOs. Later to come – authentic and formative assessment support.
 2. Results of accreditation team visit. Meeting went well. Team understood challenges. Discussion ensued about Exit Meeting details.
 3. Institutional Assessment Committee formed. Will review the QFE and develop a plan to address general concerns. Group will consist of 4 faculty (Sara McCurry, Carolyn Singh, Darren Gurney, and Kylie Duran-Cox) and 4 admin (Stacey Bartlett, Tim Johnson, Kate Mahar, and Will Breitbach).
 4. SLO open faculty forums and online feedback/survey. Sara will convene groups to begin discussing SLO processes with faculty.
 - ii. Other Reports
 - i. Update from ISLO ad hoc committee: Ad hoc group still working on the project to identify assessments. Discussion of SAILS and other “Off-the-shelf assessments (see Kylie's notes attached).

5. Discussion/Action Items

- a. ISLO assessment options for this year – What are the other options? Which ISLOs are appropriate for self-assessment? Such as self-efficacy, community and global awareness. Investigate Sails more and do more research. Also consider whether or not we could create our own but do a better job than before.
- b. SLO open faculty forums – Sara will accept suggestions over email regarding the faculty forum questions.
