

## Shasta College SLO Committee Scope of Work – 2023-2024

Student Learning Outcome Committee goals:

1. To provide guidelines and standards for the implementation of the SLO Cycle at the course, degree, certificate, and institutional level.
2. To provide resources in support of the SLO process and to assess needs for additional campus-wide resources in support of the SLO process, making recommendations and requests, as appropriate.
3. To initiate campus-wide communication on the SLO process, including dissemination of information as well as interactive dialogue.
4. To research and make recommendations on the inclusion of SLOs into institutional decision-making processes.
