MyShasta – Register for Courses on Your EdPlan

--Use these directions if you’ve had a counselor create an electronic EdPlan (Education Plan) for you, or if you’ve created one yourself. Otherwise, use the Search & Register for Course directions.—

1. From the MyShasta homepage, select the Student Planning tile. On the next page, select the Go to Plan & Schedule link.

2. You’ll be see the courses that have been planned for the term.
The courses the display are the same ones that are on your timeline.

3. Click the *View other sections* link below a course to view the available sections being offered during the term.
4. Once you find a section that you want to add, click on it and the section details page will appear.

5. Click the **Add Section** button to add it to your plan. You’ll receive a message confirming that it’s been planned.

6. Instead of a generic course being displayed, you’ll see the section information along with a **Register or Waitlist button**.
7. Clicking the *Register* button will process the registration. You’ll then receive a message prompting to complete payment. Also, the *Register* button will now be the *Drop* button, which you’ll use to drop the section.

8. Complete this process for all of your planned courses.
