	TH	Lec	12:00PM-04:15PM	Staff	2165	SCMA	6/20-7/28

Note: 1. Twenty-four (24) hours of clinical experience at a hospital emergency department and/or on an ambulance or authorized rescue squad is required. Providers in the area have requirements for participation in clinical observation time. Requirements include proof of a current TB skin test, Hepatitis B vaccination, or declination; proof of vaccination, past history of, or titer for MMR; proof of Tetanus vaccination less than ten years old; and either a past history of, or titer, for Varicella (Chicken Pox). Check with the instructor for details.  
 2. State certification as an EMT requires that the student be at least 18 years old; have a current Healthcare Provider CPR card or CPR for the Professional Rescuer card; pass a recognized EMT course; not been convicted of specific crimes; and have completed the statewide written and skills examination. (As of 1/1/2006 the state has adopted the National Registry EMT exam as its statewide exam. Upon successful completion of the statewide exam, the student must submit an application to the Local EMS Agency for certification, which is valid statewide).  
 3. This class meets for additional time outside of the scheduled weekly meeting time. This may include Fridays, Saturdays, Sundays, or night shifts.  
 4. State regulations require the EMT student possess CPR training equivalent to the 2010 American Heart Association's Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care at the Healthcare Provider level as a prerequisite for admission to an EMT-1 Basic course.  
 5. Students are required to purchase nitrile gloves, 1-way pocket mask valve, and a Shasta College EMT Program student photo ID card.  
 6. Students must be in an approved EMT uniform during all class activities and during clinical observations, ride-along assignments, and patient contacts. Uniform components are available for purchase through the Shasta College Bookstore.  
 7. Students must submit proof of a drug screening and a background check through a Shasta College approved vendor prior to going into clinical facilities. Shasta College personnel must review and approve test results prior to students participating in clinical observations.  
 8. Students who wish to complete ambulance ride-along assignments with American Medical Response (AMR) will first need to complete a fit test for N-95 respirators. The fit test cost is the responsibility of the student (approximately \$30). Check with the instructor for details.  
 9. Students who are using this course to satisfy the prerequisite for FIRS 104 Firefighter 1 Academy must complete the course with a minimum grade of B (80%). Students who attempt to satisfy this prerequisite with a course from another institution must provide transcripts that verify a minimum grade of B (80%) has been met.

**FAID-132 · EMERGENCY MEDICAL RESPONDER (EMR) · 2 UNITS**

Note: To receive certification, and meet the FIRS 104 prerequisite, this course must be passed with an 80% minimum score. Students not meeting this minimum will be required to repeat the course. Students must make application through NorCal E.M.S. for certification.
